## President's Message *by* **Bruce Wallace**

It is hard to believe that this time last year Covid-19 restrictions were severely limiting our golfing activities and resulted in us not producing Bulletins for April, May, or June. Although many things are slowly returning to normal, the 2021 Fiesta Day Parade is yet another victim of lingering limitations. Our club has been a perennial participant in the community's Fiesta Day Parade but no parade this year. Another welcome change are the rakes are back in the bunkers! Please remember to use these rakes to smooth out where you entered, played your ball, and exited the bunker. Leave the rake in the bunker and knock the sand off your shoes after exiting to prevent it from being tracked onto the greens. We all need to do our part in the care of our golf course.

As this Bulletin goes to press, our President' Cup will be well underway, and our Member/Guest Tournament will have concluded. Given the amount of effort put forth by our Tournament Director Dan Rawlins and Social Director Jerry Watson, I am sure it will be fondly remembered as a reborn addition to our tournament schedule. Also on the near horizon is our Club Championship which will be played June 4<sup>th</sup> – 6<sup>th</sup>. Keep an eye out for announcements and sign-up sheets. Even though the golf course irrigation project is ongoing simultaneously with our tournaments, scoring for any hole out for repairs will be net par for both the game you are playing and for posting to GHIN.

The 2021 Roster books are out! If you have not received your copy or would like a second copy for your golf cart, please see Publicity Director Andrew Quinn or myself. Although every effort is made to be accurate, changes do occur. One significant change is our Handicap Chair, Rick Halsey, will soon be relocating to South Carolina. I wish Rick well as he experiences his new surroundings; he will be missed. Membership Director John Reed will assume the responsibilities of Handicap Chair as he has already completed the required SCGA training and will continue in both roles as we consider a new Board replacement.

Annual golf renewals are due. If you enjoy our amenity and the freedom being an annual golfer entails, please be sure to act promptly. Bear in mind, personal golf carts must also display a valid 2021-2022 decal by June 1, 2021. Another reminder is that thieves never take a holiday. Unfortunately, there have been too many recent instances of personal items being taken from unattended golf carts while parked in the golf cart parking area. Rangefinders, GPS's, and premium sunglasses are recent examples. If you are going to leave your cart for any length of time, lock up your valuables or take them with you. It can save you a lot of anguish and frustration.

The month of May will also bring an end to the POA election and new Board members will soon be taking their seats. Please join me in wishing those members elected great success in keeping our community a "little bit of paradise" and trust that they will continue to view our golf course amenity in the most positive light possible. Play your best, rake those bunkers, and have fun!

**President's  
Message**  
by  
**Ina Pickard**

Things are looking up. Although we are not meeting in the Magnolia room yet, we are able to sign in at a table on the patio by the Country Club entrance. We are resuming closest to the pin and mystery hole, along with hole in one. Remember to check in no later than 7:30 or we may not have a spot for you.

As I'm writing this newsletter, we are in the midst of our Sr. Tournament. Thirty-eight ladies showed up on a beautiful Tuesday morning to compete in this two-day tournament. Next Tuesday we will have our awards and luncheon. This tournament is given by CLIPPS. For those of you that don't know what CLIPPS stands for, it is Canyon Lake Involved Past Presidents.

On May 14 we will have our member guest invitational. We've had a lot of guests respond and I'm looking forward to showing off our beautiful course. The committee is comprised of Ura Furry, Nancy Zimmerman, Kathy Werder, Babette Stubbs, Joanna Spiller and Kathy Homewood. With a committee like that you can't go wrong. The theme is "Alooha".

Our most improved golfers for March are KK Beecher, Sheri Rawlins and Judy Thompson. The gross winner for April was Mary Leathley and the net winner Dawn Haggerty. Keep it up, ladies.

Friday, May 25<sup>th</sup> is our first Twilight since COVID. Norma and Bruce Yarbrough have been putting this event together for us for the last few years. If you haven't played in it, it is a fun 9-hole partners game followed by dinner at Road Runner Park.

Norma and Kathy Homewood are still having trouble deciphering the score cards. Please make sure the game card and the posting card agree. Print legibly. Make sure you include your handicap and first and last name. If they can't read the cards, then how can you expect to win the game?

Just a reminder that as the new sprinkler system is installed, certain holes will be closed. Remember, for posting purposes take net par (par plus pops.) For the game, unless otherwise instructed, take your score for 17 holes and leave the closed hole out.

We are at this time cleaning out our stored decorations from Mary Craton's garage. We thank Mary so much for allowing us to use it all this time. We have thrown out a lot of the old stuff, but still have boxes of things we would like to keep. If anybody could take a couple boxes to store, it would be much appreciated.

I look forward to resuming our regular tournament schedule and hope you all sign up and support our club.

Ina Pickard  
President CLWGC

## Meet Your Directors 2

### **Jerry Watson** – Social Director

Born in Arkansas, Jerry's family moved to California when he was two years old and settled in the San Diego area, graduating from San Diego High School in 1964. He starred in baseball and shortly after graduation he was drafted by the New York Yankees and played in the Yankee system for three years. During that time his path crossed those of Yankee greats Mickey Mantle, Bobby Richardson, Yogi Berra and pitching great Whitey Ford who he batted against during Spring Training games. Jerry says "being part of the Yankees farm system is an experience I'll never forget".

In 1966, Jerry was again drafted – this time by his "Uncle Sam", serving in the Army in Viet Nam. After his discharge, he started working part-time at Food Basket markets (now Albertson's) that turned into a full-time career that lasted 40 years, his last ten years as a Store Director. He retired and moved to Prescott, AZ. Retirement didn't last long and he worked as the business

manager of the Antelope Hills Golf Courses. Jerry and his wife of 45 years, Marilyn, have three sons and soon after the birth of their first grandchild moved back to California and settled in Menifee. Working in the food industry, Jerry is well qualified to be responsible for the selection of tournament meals. Your Social Director – **Jerry Watson**

### **John Reed** – Membership & Rules Director

John was born in Arizona and moved to Southern California when he was three years old. John and his wife Stephanie were married on Friday the 13<sup>th</sup> and are still celebrating 46 years later. They have a daughter and four grandchildren in New Mexico and a daughter and two grandchildren in Temecula. When not on the golf course, John helps pick up the kids from school, sports and other activities. John began playing golf in 1972 and normally plays four days a week. He also travels annually to Puerto Vallarta, the Robert Trent Jones Trail in Alabama and Las Vegas on golf outings. He is in his second year on the Men's Golf Club Board.

John has travelled internationally to England, France, Greece, Turkey, Holland, Jordan and Israel. On a trip to Israel, with his church and his mother, he was baptized in the Jordan River. On a trip to England with his wife they returned to the United States aboard the Queen Mary 2.

John worked in the fast food and restaurant business for 33 years. He was a manager and weekend supervisor for McDonalds for ten years and retired as an Area Manager for Polly Pies after 23 years. He was also an owner/operator of a bottom dump trucks for years and managed his Dad's truck broker company. In his spare time, he watches as much baseball as possible and has two nephews that played professional baseball and are now coaching the Arizona Diamondbacks and the Angels.

Your Membership & Rules Director – **John Reed**

### **Chuck Newsom** -Wednesday Game Director

A native of Cincinnati, Ohio, Chuck moved to California in 1985 while working for the Ralston Purina Company and then Del Monte and Nestle in the food industry. Tired of traveling after 25 years, he established his own real estate appraisal business and still works at it 23 years later. Married to Carol for 24 years, they have a blended family of four sons, two daughters, 11 grandchildren and two great grandchildren.

With a Bachelor's Degree in Political Science from the University of Cincinnati, it's no wonder that he has dabbled in politics himself, serving on the POA Board as a Director and President. He has served on the Men's Golf Club Board on several occasions and as President in 2015. As a member of the US Air Force from 1964 – 1968 he was an Airborne radio operator, flying 130 missions in Viet Nam.

Prior to playing golf, he enjoyed fishing and hunting, but says that now he only has time for his family and golf. Your Wednesday Game Director – **Chuck Newsom**

**Instructions for determining the Most Improved Golfer**

Add 12 to the player's Handicap Index at the start date. This value is A. Add 12 to the player's Handicap Index at the end date. This value is B.

Divide value A by value B, calculating to three decimal places. This is the improvement factor. The player with the highest improvement factor should receive the most improved player award.

Example:

Starting Handicap Index: 24.3 | Ending Handicap Index: 16.2

Value A: 24.3 + 12 = 36.3 | Value B: 16.2 + 12 = 28.2

A / B: 36.3 / 28.2 = 1.128

Improvement factor: 1.128

## SATURDAY TEAM PLAY

Saturday Team went 1-6 for the season, losing two matches at home. However, there were some positives to the season. We were able to get 20 points at Bear Creek and 22 points at Eagle Glen, both very good showings against traditionally very good teams. A total of 29 players participated, among those were several rookie players. Canyon Lake Saturday Team also fielded the very first woman to participate in Team Play. Our team is in a very good group of clubs including Bear Creek, Eagle Glen, and Tijeras Creek. Even with the struggles of the COVID19 pandemic we were able to enjoy some competitive golf and some good food. The team is already looking forward to a successful next season.

## THURSDAY TEAM PLAY

Finished Thursday Team Play with a 3 & 3 record, winning our home matches and losing our away matches. Our last match at Sun Lakes we lost 25-23. We almost pulled off the upset and then could have made the playoffs. It was a great year had by all and all of our participants represented Canyon Lake extremely well. We should all be very proud of the team. Our guests and all of the competitors truly enjoyed our hospitality and competitive team Rick Halsey team captain.
