President's Message *by* **Jon Evans**

With summer here, warmer weather will surely follow. We had two tournaments over the past month, congratulations to Fred Finger who out lasted the competition to win this year's President Cup. This year's Club Championship hosted over 60 participants. Many of the divisions came down to the wire. Please see the articles in this bulletin for pictures and details of these events. We will not have another tournament until the beginning of September.

There are several golf outings members of our club are organizing, I will send out the information as I get it to make sure everyone is aware of these fun events.

This month, the Men's Club has been asked to help with the BBQ for the Jr golf event, if you can help, please check in with the Pro Shop.

The Wednesday game is averaging about 80 players a week. Chuck Newsom, the Wednesday Game Director, says that the new program can do almost any game. If there is a game you would like to see us try, please contact Chuck. Thanks again to Chuck for all your hard work.

As most everyone knows, Public Relations Director, Chris Poland has been elected to the P.O.A. Board of Directors. Chris intends to put many hours into making our community a better place. Unfortunately for us, this means that he will be stepping down from his position with our club. Thank you, Chris, for the countless hours you have put into producing this bulletin.

Andrew Quinn, who ran for our board last fall, has volunteered to step up and assume the duties of the Public Relations Director.

Lastly, I would like to congratulate Leroy Madera who had a hole in one this past Wednesday. More information on this incredible feat is included in this edition.

Please let me or any of our Board members know what we can do to make our club more enjoyable for the members.

President's Message

by

Ura Furry

Our President's Cup Tournament on June 11th was so hot, I want to thank all of you who played through the heat. The 18th was a lot cooler so we were able to finish in better spirits. The committee, Mary Burns, Donna Nunes, Lorrie Sjomeling did a great job putting this tournament on. Congratulations to our President's Cup Overall Champion Marlene Cathro. Her name will be engraved on the perpetual President's Cup trophy, flowers, rope and water added to her medallion. The A Flight winner was Gerry Meeks and she will receive a diamond on her medallion. B flight winner was Ura Furry and will receive a Silver Medallion, and C Flight winner is Barbara Spraul who will receive a diamond on her medallion.

Congratulations and to all the other winners. Fiesta Day was a great success, due to the hard work and effort Darlene Cortez put into it. She made a profit of \$979.00 for our budget. Mary Burns stepped up again and helped her a lot. Along with all the other volunteers to setup, work, and tear down the booth. Thanks to all of you. I want to thank the 5 ladies from our club who rode in their golf carts behind me in the parade.

Our May most improved golfer was Mary Burns. June Low Gross was Donna Nunes and Low Net was Mimi La Rosa. Congratulations to all of you.

The Nominating Committee Linda Helmer, Linda Kamashian, & Sue Sell will be asking our members to be on the 2020 Board. So, think it over and volunteer. We have 10 board positions, it is rewarding and fun to be on the board. If you don't want to be on the board, then think about being on a committee, helping with a tournament, at the Tuesday table for check in or other positions that need volunteers. There is something everyone can participate in.

The board agreed to due a different kind of charity tournament this year. It was mentioned heart disease is the #1 killer for women. So, we decided to "Go RED for Women" for Heart Disease.

I want to thank KK Beecher, Kathy Voss, Linda Helmer for helping me distribute flyers in the Audie Murphy homes. KK also with her mother in law put the flyer on Facebook. So, thank you ladies.

SB&R play at the Colony on June 27th so play well and win points. May, we had 58 points and 14 ladies went. With a told of 192 points we are 20 points behind Jurupa. In July we play at Menifee Lakes and August we don't play.

Summer is here eat & drink a lot, load up on electrolytes (Gatorade is a great source that includes vitamins) which promotes energy, use cool towels and look for shade if you are waiting.

Thanks, Ura Furry

Leroy Madera Gets His First Hole-in-One

Leroy Madera hit his first Hole-in-One on June 26th during the Men's Club Wednesday Game. Leroy, at 90 years old, hit his driver from the green tees on hole #2 and found his ball in the hole.

After the foursome teed off on the second hole one of the grounds keepers was headed back to the maintenance yard after working on the 2nd hole. He told the group one of your shots was on the green and over-hanging the hole. They couldn't see it and when they got close enough to see, there was no ball, it had dropped into the cup for Leroy's first Hole-in One.

Leroy has been playing golf since he was introduced to the game in 1953. That's 66 years of practice before he hit that perfect shot.

Leroy who was born in 1925 was the youngest player in his foursome at 90 years old. Joining Leroy in his foursome were Jim Magill 93, Bob Clow 92 and Harry Larson 90. They witnessed the event though none of them could see the ball fall in the hole from 140 yards away.

All the club members enjoyed a free drink in Leroy's honor compliments of the Men's Golf Club.

Getting to Know Pat Kemball

Director of Golf, Canyon Lake POA.....by Ted Horton

Pat grew up in a small town Northeast of Winnipeg, Manitoba, Canada where hockey was king. He was quite a hockey player as a youngster and advanced within the sport to where he was travelling away from home a great deal as a young man with NHL aspirations. No one in his family played golf but his mother used to love to watch golf on TV and she had encouraged him to get some left handed clubs when he was 11 years old. He was hooked on the sport and spent every possible hour during the next six summers at the Pine Falls Golf Course, mentored by golf professional Jerry Hollins. Before attending college, Pat was working in the local paper mill and Jerry suggested that he consider golf as a profession.

He joined the Canadian PGA and decided to gather experience working for two years at John Blumberg Golf Course as an Assistant Professional and then moved to neighboring Pine Ridge Golf Club. He continued to excel at golf, winning the 1988 & 1990 Province of Manitoba Assistant PGA Championships and the 1988, 1992, 1994 PGA Provincial Championship. He was named the "Manitoba PGA Player of the Year" five times. He played in a few events on the Canadian Tour, but never "won big". He was soon awarded the Head PGA Professional job at Pine Ridge and remained there for 6 years.

Deciding that he needed a change in his personal life circumstances, Pat decided to pack up the car and head south to Temecula for a winter of California golf instead of hockey. He found employment at the SCGA Golf Course where he met his wife Brenda, then an employee of the SCGA and now Manager of SCGA Member Outings. The next summer, Pat had to return to Pine Ridge Golf Club to complete his contract, but returned the next winter to accept a job as a Teaching Professional/Manager of a golf range in Menifee while resolving immigration issues. A year later he was hired as Head Golf Professional at the SCGA Golf Course and married to Brenda. Fore Magazine celebrated their union with the article "*Canadian Boy Meets Southern California Gal*". They have been married 20 years now. Four years later, SCGA named Pat General Manager where he served for 6 years until the club was sold in 2010. He responded to an RFP for Director of Golf at Canyon Lake Country Club and the rest is history.

In the US, Pat has continued to gather awards: In 2016, Fore Magazine awarded Pat with the recognition "Best PGA Pro in Southern California". In 2018, he was again recognized as the "SCPGA Inland Empire Teacher of the Year" and in 2006 he was recognized as the Bill Strausbaugh Award Winner from the Inland Empire Southern California PGA.

Recently, Pat returned from a visit to his home course of Pine Falls GC, NE of Winnipeg where the members honored his achievements as a PGA Professional and posted a picture and plaque to his tribute on their trophy wall. But, to Pat's dismay the trees that he used to easily hit over 25 years ago have grown considerably.

Along with his love of the game and the opportunity to teach the sport, Pat enjoys golf course design, gardening and yes a little adult (read old men's) hockey.

John Hardy, PGA Master Professional said it best: "*Patrick is one of the most respected Golf Professionals in our profession. He is a role model to those that follow, and one of the nicest human beings. Canyon Lake is extremely fortunate to have him. I am also fortunate to have him as my friend*". We agree and are pleased that the POA has renewed his contract for another five years. Eh!

TWG Appreciation Dinner

For you and your significant other

It Was A Very Good Year

The Annual Tuesday Work Group Appreciation Dinner was held in the Holiday Bay Room at the Lodge on Thursday June 27. Over 100 people attended and enjoyed a delicious dinner, dancing to Frank Sinatra music by Kenny Rice and a brief awards ceremony.

TWG Chairman Don Norris served as the MC and congratulated the past and present members and officers on volunteering over 3100 injury free hours this year. Don awarded a 15 year service award to Joe Washle and a 30 year service award to Hub Watson.

Carlos Ramirez, a past recipient, presented the coveted Golden Shovel award to Jerry Tenny. The award recognizes 5 or more years of good service, regular participation on the Tuesday morning teams, and being a member in good standing in the community. The awardee is determined by a secret ballot process and has been given for the past 28 years.

The Green Committee

Our Voice to the Canyon Lake POA

Valerie Montgomery, Chair
Gary Bradford
Linda Johnson
Joe Kamashian
Tom Scudieri
Dudley Thompson
Joe Washle

The primary responsibility of the Green Committee is to advise and assist the Board of Directors, in developing and implementing preservation, enhancement and maintenance of the golf course in cooperation with the Canyon Lake Property Owners Association, hereinafter referred to as the CLPOA. The committee participates in a course inspection once per month with the Golf Course Maintenance Superintendent that results in a written report summarizing the following items:

- Summary of the course condition
- list of potential problems
- Solutions to the problems to be completed now and in the future
- Set a definite time frame when and how problems will be solved

Copies of this report are distributed to the General Manager, the Green Committee, the Golf Course Maintenance Contract Superintendent, and the Contractor's Corporate Office.

Currently, the Green committee is working with the POA on the following projects and issues.

- Restoration of the lakes #13. Hopefully a request for final approval will be presented to the POA Board in August and the work started during the October shutdown.
- Recommendations related to the Golf Course Maintenance Contract now under consideration.
- Recommendations related to repairs for the Parking Lot and golf cart parking area, expected to be done during the October closure.
- Recommendations related to the Golf course irrigation system.
- Continue the surveying of all the trees on the course for future recommendations.
- Cart path widening project adjacent to the #6 green by a third party contractor.

Our Green committee continues to maintain a good working relationship with the Director of operations, Steve Schneider, and the Golf Course maintenance team. They meet every second Thursday of the month. The meeting is open to all Canyon lake POA members. Your suggestions are always welcome.

Board Meeting Highlights

Canyon Lake Women's Golf Club -- June 4, 2019

1. Ura Furry thanked Darlene Cortez, Mary Burns and all the volunteers for the great Fiesta Day booth. It was very successful.
2. Ura also talked about slow play. Stay up with the group in front of you. If a group is waiting on you, let them play through. Always see what you can do personally to speed up play. It is starting to get warm so always prepare for the heat, drink lots of liquid, use cool towels and look for shade when possible.
3. The Account and register balance is a little over \$12,000. The Hole-in-one pot as of today is \$2101. The net profit from Fiesta Day was \$979.10.
4. The Niners had a progressive dinner and gave away scholarships to four deserving athlete scholars, not necessarily golfers but outstanding athletes. They gave \$2500 to two and \$1500 to two.
5. Joe Kamashian thanked us for our donation to the Beautification Tournament. They raised almost \$7700. He asked us to submit any ideas we have on how to spend the money to improve our golf course. Send your suggestions to Jim Magill or Joe Kamashian.

Canyon Lake Men's Golf Club – June 5, 2019

1. Past President Travis Montgomery presented a certificate of appreciation to President Evans from CLAPPS for CLMGC support of the Beautification Tournament. The tournament generated \$77,000 this year.
2. Get well cards in May: Don Raworth, Tom Scudieri, Joe Henderson, and Jim Norman.
3. The club bank balance as of May 31, 2019 is \$27,310.17.
4. The results of the 2018 Audit Report noted that *"We have gotten several steps closer to better managing expenses and income for CLMGC, but we still need to tighten our procedures. While the Audit Committee is confident that our funds were handled properly in 2018, we cannot provide an unqualified opinion based on the available evidence"*
5. To improve celebrating the Club Championship, It was decided that the CLMGC Championship be three (3) rounds on a single weekend (Friday, Saturday & Sunday) with ties resolved by sudden death. Masters and Super Seniors will be 2 days only (Saturday and Sunday)
6. The September Member Guest may be modified to encourage more attendance. Suggestions are welcome
7. Complimentary membership in the CLMGC will be offered to Mark Louder, CLCC Golf Course Superintendent, and Eric Kazakoff, POA General Manager.
8. The Bulletin will no longer contain meeting minutes to save space for pertinent articles, photos, etc. The meeting minutes (men's and women's) will be sent out to the membership by GHIN.
9. Club Rush – Family Matters is sponsoring a Club Rush at Holiday Harbor on July 20, 2019 between 4:00 PM and 7:00 PM. Entry is \$25. President Evans and 2nd VP Newsom will coordinate CLMGC participation with the other golf clubs. It was suggested that new membership could be sold at "teaser ½ price" to grow membership.
10. Family Golf Club Scramble – CLMGC members have been invited to join the Family Golf Scramble scheduled for June 22 at 12:00 Noon. Deadline for participation is June 19, 2019. An information flyer can be obtained from the Proshop.

The days of yore.....

Canyon Lake Country Club circa 80's

The article and the photo below appeared in the February 1985 issue of our Golf Bulletin and reported the story of our second annual "Tree Tournament". Read on.....

PLAQUES PRESENTED TO TREE TOURNAMENT SPONSORS

Last years annual "Tree Tourney" was sponsored by Hemet Federal Savings & Loan and the end result was about 80 new trees for the beautification of the Canyon Lake Golf Course.

Shown above are (l to r) Bob Eichinger, President of Hemet Federal, Jim Magill, Carol Carter, Manager of our local branch of Hemet Federal, and Hugh Wagoner. Jim and Hugh are presenting a plaque to Bob and Carol as a special way of saying thanks for Hemet Federal's support of our "Tree Tourney". It is hoped that Hemet Federal will repeat as sponsor in 1985.

The plaques were donated by the Mens and Womens golf Clubs.

What is now named the "Beautification Tournament" was originally the "Tree Tournament". The purpose of these tournaments was to supply trees to what then was a barren golf course. The date of the second annual "Tree Tournament" was October 28, 1984. The entry fee was \$30.00 per couple and with this \$30 donation trees were purchased, and the names of the donor were placed on the tree as they were planted. A total of 75 trees (15 gallons in size) with stakes and other supplies for planting were purchased with the money raised. Following play a barbecue was enjoyed in the Plumbout Room by those who participated. As far as I know there is only one of the 75 trees that still have the name of the donor on it. If you'll look closely to the tree on the east side of the third green you will still see the name, Bob Craig, a retired CHP officer who donated that tree and who at that time was a member of the Men's Golf Club.

A further note...The Plumbout Room derived its name from a time when a patio was added to the existing club room and during the design the "architects" told the members that they were going to extend the existing club room with a patio that will also extend "plumbing out to here".
