## President's Message *by* **Jon Evans**

We are rolling into June and hopefully the start of some warmer weather. The golf course is in great shape with our superintendent, Mark Louder, overseeing the daily operations. When your out on the course and come across Mark, please let him know how much we appreciate the job he's doing. The President's & Vice President's Cup just wrapped up and I would like to congratulate everyone that moved on to the end of the tournament. There is an article in this month's issue that covers this tournament, so please look for it to get the details on who won! The next tournament up is our Club Championships. This tournament will be a three-day event (Friday, Saturday, and Sunday). This tournament will determine the Club Champion, Senior Champion (ages 55-64), Super Senior Champion (ages 65-74), and Masters Champion (ages 75 and older) in the gross divisions. There will also be net flights based on handicaps. Good luck to all who are participating in this tournament. After the Club Championships, our tournament schedule takes a break until September. I would like to congratulate our club member, Chris Poland, who has been elected to the P.O.A. Board of Directors. Our association is lucky to have Chris and all the expertise he brings with him. I would also like to thank Joe Kamashian, who was willing to come out of "retirement" and produce this month's bulletin while Chris Poland is on vacation. All of our Board Members are doing a great job and I would like to thank them once again for the time and effort they put into running our club. As always, if you feel that there is something that we as a Board could do to make our club better, please reach out to me or any of our Board Members to share your thoughts.

Jon Evans

## President's Message

by

*Ura Furry*

Our 2019 Senior Champion Low Gross was Mary Burns & our Super Senior Low Net was Linda Johnson. Congratulations to you both and all the other winners. The CLIPPS did a great job and it was a success with 36 ladies playing and 18 of those were Super Senior's.

With a lot of praying all week the rain stayed away so we could enjoy our Member Guest Invitational. We had 88 players of which 56 of them were guests. It was nice to see a big turn out of guests wanting to play at our beautiful course. I want to thank my committee for a great job in putting on this tournament. We all participated & that is what it takes to put on a big tournament like this. We did very well in raffles, mulligans & magic putts to bring more extra money to our treasury. I took a survey on how everyone like having an invitational & the census was, if we have it again we should have at least one member on the team of guests. I want to thank Tom Mary & Bob Clow, at the Clow's residence for a Kaluha Coffee Bar. Also, a Thank you goes to KK & Jesse Beecher for donating our tee prize of Aluminum Straws.

The next Tournament is our President's Cup on June 11<sup>th</sup> and 18<sup>th</sup>, it's a Net tournament and flighted so hope you all sign up and support the committee and your club.

Fiesta Day is Saturday May 25<sup>th</sup> and the Pizza Booth and Parade is preparing for the busy day. Darlene Cortez is running the Booth and hope you volunteered to help her out.

Our most improved golfer for April was Mary Burns. Our May Low Gross was Jill Busser and Low Net was Darlene Cortez. Keep up the good work ladies. Congratulations!

SB&R was played at Seven Hills on April 25<sup>th</sup> & they had 15 ladies that participated & 6 won with 44 points. We go to Glen Ivy on May 23<sup>rd</sup>. The Golf Club of Rancho California joined SB&R and are putting their roster together for June. This is a good addition to our Association. Looking forward to meeting new ladies, so when you meet them be sure to welcome them.

Our women's golf club voted May 14<sup>th</sup> on inviting new ladies from outside Canyon Lake to join our club with just paying \$85.00 a year + green fees, \$15.00 cart fees and tournament fees. They are eligible to play only on Ladies Day Events. If they want to play other days, they must be called in by a member. We are looking to build our membership, so here is hoping some ladies will be interested. If you know of someone outside of Canyon Lake, please let them know this is an opportunity to play without get an annual.

There have been a number of comments about where to place the bunker rakes so they won't affect play. The Green Committee has addressed this issue and decided to make a change. In the past the committee has adopted the USGA recommendation to place the rakes outside the bunkers. Some members felt that was a problem when a ball would strike the rake and go in the bunker or interfere with an otherwise good shot. The Green Committee discussed the option of placing the rakes at the bunker edge to avoid affecting a good shot and for easy access for the players. This wasn't a practical solution since the rake could prevent the ball from rolling to the bottom of the bunker and leave the golfer with a more difficult shot that could leave them to deal with the bunker edge and/or the slope.

A third option was discussed to place the rakes in the bottom of the bunkers. This would be helpful to the maintenance crew and would be the best option to keep the bunker rakes out of play but will require players to enter the bunker to retrieve the rake, rake their tracks and throw the rake back to the center of the bunker after their shot. While it is not a perfect solution the Green Committee has decided to adopt the new policy to have all bunker rakes placed in the bottom of the bunkers.

If you have any questions please bring them to the next Green Committee meeting on June 13<sup>th</sup> at 1 pm in the Magnolia Room.

The Canyon Lake Association of Past Presidents (CLAPPS) held their annual "Beautification Tournament" to raise funds for beautification and improvements to the Canyon Lake golf course on Saturday, April 27. With an 8 a.m. shotgun start, 81 players participated in a Jack & Jill, Jack & Jack, Jill & Jill Partners Best Ball format and Scramble for those without handicaps.

Major Sponsors of the tournament were the Canyon Lake Men's Golf Club, Coldwell Banker Realty - Margaret McCoy, BrightView Golf Course Services, PBK Golf Services - Pat Kemball, PGA, Canyon Golf Cars and the Family Golf Club. An additional 21 local businesses, clubs and individuals made contributions in support of the tournament.

Since the tournament was a fund raiser for the golf course, participants purchased opportunity drawing tickets for donations from area merchants for merchandise, services and golf outings. In further support of the tournament, an auction was held for golf at Arrowood Golf Course, lodging and golf at Borrego Springs Resort, a Pismo Beach Getaway with lodging at Oxford Suites Hotel and golf at Cypress Ridge Golf Course, golf for four at Bear Creek Golf Club and half a cord of firewood, delivered and stacked by the Tuesday Work Group.

Tournament Chair Travis Montgomery reports net proceeds for the tournament from the opportunity drawing, auction, donations and registration fees were right at \$7,700, all of which will be used for golf course beautification projects.

## Beautification Project

The Canyon Lake Association of Past Presidents (CLAPPS) continues their efforts to beautify and improve our golf course.

The CLAPPS Beautification Tournament has a long history of raising funds to improve the golf course. It is estimated they have raised over \$90,000 for improvements in recent years. Some of their more current projects include 13 new concrete benches, 20 bronze plaque tee signs, expansion of the practice putting green, installation of the concrete pad and artificial turf on the driving range, new decking on the bridge at hole #13, provided the decorative rock at the logo area on the hillside of hole #14, built the shed over the ball machine at the driving range, provide yardage markers on the course and a multitude of trees and flowers that beautify our course.

The next time you are enjoying the beauty of our golf course keep in mind the efforts of the CLAPPS and their annual Beautification Tournament.

The CLAPPS President, Jim Magill, said we have always worked closely with the TWG for the installation of our projects. We are very appreciative of their efforts and are grateful for their commitment to our golf course.

## Getting to Know Eric Kazakoff, General Manager of Canyon Lake POA .....by Ted Horton

Eric earned a Bachelor of Arts degree with honors from San Diego State University, majoring in Industrial Arts and Construction Management. He is a California licensed General Contractor and has spent over 30 years in construction management resulting in successful ownership of Kazakoff Construction Company, Inc. for many years where he *“developed and managed the lean and efficient cross-functional departments within the company to steadily grow until commercial construction came to a standstill in the recession of 2009”*. Recently he spent 4 years as CEO of Western Construction Auctions, Inc. where he *“led and managed a leading, industrial auctioneering company in a challenging market, increasing overall profitability”* and then 3 years as Project Manager/Estimator for Temecula Valley Drywall, Inc. where he *“added a million-dollar commercial wood framing project at Long Beach City College to their scope of work, and constructed a number of other retail, medical, restaurant and office projects”*

Here is where it gets a little strange for me to report. Eric used to be a neighbor of our older son in the Temecula Meadowview neighborhood and Nancy and I met him through our son over 15 years ago. His daughter and our granddaughter remain good friends to this day. Eric was also on the Board of Directors of this large HOA for 4 years. When Eric contacted Nancy in 2016 to inquire about a Purchasing Director’s position with EVMWD, Nancy referenced our POA where we were searching for a Director of Operations. The rest is history - his project management skills are exactly what we needed and he was an instant success when he undertook the Main Gate, Golf Clubhouse rehab, Happy Camp and numerous park refurbishment projects that had been languishing for lack of project leadership. When the General Manager position opened several months later, he had earned our trust and with minor realignment of duties and shared management tasking with Lynn Jensen, he was promoted to this position. A broad skill set from IT to contract negotiations has served him well but he feels *“it’s common sense and no fear of pulling the trigger that has assured my success”*. When asked whether there might be something about him that would be a bit of a surprise for us to learn, he didn’t hesitate to note that he has visited Canyon lake friends to boat and water ski/wakeboard and hydrofoil here for over 20 years. After many years as a guest, Eric is also the proud owner of a home here and a dues-paying member of our community.

Eric noted *“the GM job is very political and I spend most of my time listening to people”*. His priorities are *“to maintain and improve property values, keep up with neighboring communities and to be the backer and defender of POA Staff from noise and complaints.”*

His goal is simply *“to maintain and improve Canyon Lake to be on par with the brand new communities surrounding us and to take everything that is now 50 years old and bring it up to 2019 standards”*. *“We have created a very supportive corporate culture at the POA – employees are content, and we have each other’s backs”*. It is important to develop this same relationship with the Community leadership and he will be sitting down with the new Board members to earn their trust. *“Developing these relationships has never been a problem for me and I appreciate the weekly one-on-one sessions with the Board President and monthly meetings with the Board”*.

When asked about his management style, Eric noted that he considers his style *“relaxed”* and while he looks forward to committee advice and support, he feels that *“the GM and skilled staff need to lead to make things happen”*. He is prepared to take the heat when wrong, but his management experiences lead him to believe *“that this style is the best way to complete the many bottlenecked projects that have lingered as just ideas for far too long- it’s the way I am wired”*. He finds it challenging to deal with misinformation and social media negativity. To combat this, he notes *“it’s important to keep one’s head down, filter out the noise and focus on doing the job”*. He encourages residents to familiarize themselves with POA sources such as the Facebook Pages, Website, weekly email newsletters, etc. for accurate information.

I was pleased to see the prototype of the sign that will be installed at the entry to the Country Club. Eric can’t wait to get this in place. When we talked about Long Range Planning he noted *“that everything they are doing fits into this category. It’s a 50-year old community and how can we endure another 50 years is my constant mindset – keeping Canyon Lake attractive, competitive, appealing, with property values growing – in short, the most desirable place to live in the Inland Empire!”*

When talking about playing golf, I was pleased to learn that Eric is a golfer. He played recently *“and embarrassed himself much less than expected”*. As a matter of record, *“20 years ago, I hosted a Kazakoff Construction Christmas golf tournament and brunch at Canyon Lake Country Club”*. He is determined to get Steve Schneider and Sal Medina to play with him. We’d love to see you guys out there! Thank you Eric.

# Twilight Golf

Twilight Golf is played 4 times a year from May to August. They play 9 holes on a Friday evening and then go to Roadrunner Park where we have a catered dinner. The game is a two person Chapman where each partner hits their drive and then they hit each others drive on the second shot then select the best ball and play alternate shots to the hole. The cost is \$35.00 per couple which includes dinner but does not include green fees. The dates for the remainder of 2019 are June 14, July 19, and Aug 9. Organizer Norma Yarbrough says come on down and join the fun. Look for the sign up sheet in the Pro Shop

## *“After Lunch Bunch”, your Friday game for 39 years.....*

For those of you who are unaware of our summer tee times, we are now taking sign-ups between 6:30 and 7:15 AM in the Magnolia Room or over the phones at either 249-4565 or 237-6102. The first tee time is now 8AM and will remain that way until November when we return after the over-seeding of the course.

For only the second time this year we lost a day of play. The forecast for Friday, May 10<sup>th</sup>, was for rain, and then there was also the problem of the Lady's Member/Guest Tournament being held that day, and on top of that there was a “Horse Race”. It was just easier to cancel our game.

Results for the past few weeks of play were as follows:

April 19 – 2 Best Balls of Foursome – 20 Players

1<sup>st</sup> – **Clive Taylor, Bob Stinson, Ross Hanover, & Sven Henrichsen** – 119

## Canyon Lake Country Club year 1986

Last month's "Days of Yore" told the story of the efforts of our club to get a new clubhouse project underway. Below you will read of the progress in the construction, of the "temporary clubhouse", how the members were raising money to contribute toward the project., and a bit about the 1986 dues crusade.

### President's Message

By Rob Caveney

As we pass the halfway mark in your Board's term of office, it might be well to look back at accomplishments thus far and then look ahead at happenings still to come.

Continued growth in the clubs membership deserves special mention as the membership count went over the 300 mark.

The first half of the year includes the agonizing wait for the old clubhouse to disappear and the work on the new building to actually commence. A once in a lifetime experience was the move to the temporary facilities, seeing individuals and groups adjust to the crowding and inconveniences and acceptance of the fact that it is all temporary and relief from it all is taking place just a few hundred feet away.

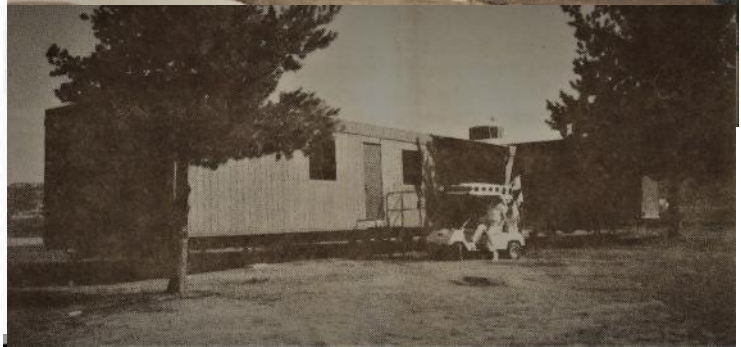

Memorable indeed during this first half were the highly successful major tournaments including the Member-Guest, the Hobo and the currently in progress Club Championship.

Not to be forgotten was the determined, unrelenting and ultimately successful fight for a cause that was believed to be right, the crusade against the 16% increase in annual green fees. The combined efforts of the golfing sector in their letters, petitions and presentations to the P.O.A. Board led to the proposed 16% increase being scaled back to 8%.

An astounding event, to say the least, was the auctioning of the old tee markers to nostalgia minded members which raised the astonishing sum of \$1,385.00 towards the landscaping of the new clubhouse.
