President's Message

by
Jon Evans

After a cold and wet February, I am happy to welcome you to a warming March. The rain has been great for the area and the course, but not much fun for golf.

We had our first tournament of the year, the Sweetheart Tournament, that was played through cold and rainy conditions. My hats off to all the players that toughed out the day. The winners for this tournament and the Sweetheart couple of the year can be found in the following pages.

Our next tournament is one of our majors, the Spring Kickoff is scheduled for March 23rd and 24th. This combines two tournaments in one. There is our Spring member/member and the SCGA four ball qualifier. It's your choice as to which tournament you choose to compete. The details for these tournaments can be found in the Pro shop, along with the sign up sheets.

As I hope all have seen, the posting computer is no longer down stairs, it is now in the Pro shop. The iPad next to the register is for your use to post ALL your scores. If you need help, please ask one of Pat's staff for assistance. Scorecards should be given to the staff and they will drop them for you.

We have had another change on the Board of Directors. Chris Wilkeson, who has been our handicap director for the past two years is moving over to be our social director and Rick Halsey will be taking over as the Handicap Director. Rick has experience in this position and he and Chris will work to provide a seamless transition. I would like to thank Chris for the time he has put into watching the handicaps for our membership. Our handicaps are what make our games fair for everyone.

Lastly, to attract more members to the Men's club, I have been talking with our Pro Pat on sponsoring a Saturday game for anyone with a SCGA handicap to participate in. We are working out the details, and as soon as we have finalized the plan, I will blast out an announcement. Since our only club game is on Wednesday, guys who work find it hard to play. Hopefully, offering a Saturday game along with the ability to participate in our club tournaments will bring in some new players.

President's Message

Ura Furry

It's been a cold, rainy winter, but we had one day in January that we weren't able to play on Tuesday. The Men's Valentine Tournament on February 10th was cool and rainy but we played and had a good time. The Niners Valentine Tournament was on February 14th and it got rained out but they still had lunch and prizes. Both tournaments were great and a lot of fun. Our Valentines tournament was on February 12th and our committee Linda Kamashian, Linda Johnson, & Anne Norris did a fabulous job on it and it's their 9th year running this tournament. It's always fun when Pat does our drive on #12. They had made money for our club treasury, so great job ladies. Congratulations to all the winners.

Our most improved golfer for January was Judy Kim. Our February Low Gross winner was Babette Stubbs & our low Net winner was Gerry Meeks. Congratulations to all of you. Keep up the good work.

Pat has some new local rules and I sent them all to you along with SCGA rules. Marilyn will be going over them on Tuesdays. She will be helping the Niners also with the rules.

We had 23 ladies on Beat the Pro Day and 13 of them beat Pat. Great job ladies! The total winnings were \$535 in script..

Our next Tournament is Club Championship, March 19th, 21st, 26th. We would like a great turnout this year. You have to have played & posted 6 ladies day events in the last 6 months to qualify for this tournament. If you are not sure get with Mary Burns or Ura Furry. So sign up & support your committee & the club if you qualify. The same goes for qualifying for the Presidents Cup in June.

We are also going to have a Member Guest/Invitational on Friday, May 10th. So this means you can have 1 member 1 guest; 1 member 3 guests, or a whole team of 4 guests. This will bring more revenue to the POA and to Pat. Plus we would have more ladies participating in our tournament.

SB&R is at Paradise Knolls on February 28th, so hope you all go and win some points. We are hosting our month in December and you can't win points that month, so we have to make all our points in the rest of the year. So support SB&R and play as much as you can. Canyon Lake has 31 members this year. If you want to join you can anytime during the year, See Darlene Cortez.

The Club will be having their first "Garage Sale" to make money for our treasury. Ura Furry will be having it at her house either in April or May. I will be letting you know the date and when you can start bringing donations over. So go through your things and start setting aside your items to donate.

Have a great St. Patrick's Day!

NEWS

Golf Course Lakes Restoration

Steve Schneider, Canyon Lake's Director of Operations, reported that the POA's water consultant has developed two solutions for reconfiguring the lakes between Holes 12, 13 and 14 and solving the leakage problem that has cost way too much in the past. Both solutions involve changing the configuration of the lakes, maintaining the water fountain but eliminating the waterfall. A third solution was generated by a previous consultant and replaces the lakes with a waste bunker and drought tolerant configuration. All three solutions will be reviewed in the coming weeks by our Pro, Pat Kemball, and the

Golf Course Architect at Brightview, our golf course landscaping contractor. Steve expects to present the three solutions to the Green Committee at their meeting on March 13, 1:00 PM in the Magnolia room. Anyone interested is invited to attend. This will be the best time for input from the Golf Community. The final decision will be made by the POA Board based on the General Manager's, staff and committee recommendations which favors maintaining the lakes. The project is scheduled to be completed by November 2019.

New Posting Computer at the Pro Shop

Finally, the problems with posting our rounds have been solved with the installation of a new computer – actually a new iPad purchased by the POA that is located in the Pro Shop on the right side of the front desk. The ON button is on the front right side of the screen, about mid height, that brings up a familiar and easy to use program. Use the touch screen to navigate and the on-screen keyboard to input the needed information. No need to worry about turning it off when you're done, it shuts down automatically after a few minutes. The front desk will help if you need it.

Remember, all rounds played (except Wednesday mornings are done automatically) need to be posted the day they are played and the related, signed score cards turned into the front desk. This is an important step to protect the integrity of our tournament play together. Please cooperate!

Four at the AT&T Pebble Beach Pro-Am

Thanks to Fred Finger, the Canyon Lake Men's Golf Club was again given the opportunity to place 4 members as Marshalls at the February 2019 AT&T Pro-AM. Included along with Fred was Phil Lerch, Bob Scott, and Steve McCain. They were stationed at Pebble Beach, inside the ropes on Holes 17 and 18, all four days. Along with the blue sky weather shown in the photo, they experienced plenty of rain, hail and wind along with seeing all of the pros and the entertainers who played. A great experience, the 10th for Fred. Check the article in the Friday Flyer for more details, or better yet talk to the guys next time you see them.

“After Lunch Bunch”

Your Friday game for 39 years.....

If you're looking for a friendly golf game on any Friday, look no further, the “After Lunch Bunch” has been providing such a game every Friday for the past 39 years. **Canyon Lake Men's Golf Club -- Board of Directors Meeting
February 6, 2018 Minutes**

Call to Order: President Jon Evans called the meeting to order at 2:45 p.m. and led the Pledge of Allegiance.

Attendance: Present were President Jon Evans, 2nd VP Chuck Newsom, Directors Greg Brack, Rick Halsey, Chris Poland, Tom Scudieri, Rod Smith and Jerry Watson. A quorum was present.

Absent: Ted Horton, Chris Wilkeson, Pat Kemball, Mark Louder (excused)

Approval of Minutes: It was moved by Director Halsey, seconded by Director Watson to approve the January 2, 2019 meeting minutes as submitted. Motion carried unanimously.

SCGA Liaison Report: Dudley Thompson – All is quiet, nothing specific to report.

Presidents Report

President Jon Evans reported on the following

- Tom Scudieri has been reassigned to the Green Committee since our representative must be a POA member. Rick Halsey has been reassigned to the Social committee.
- Women's Club President Ura Furry informed President Evans that they would not be able to contribute to the Bulletin due to a decline in their membership and their need to cut expenses. After discussion that focused on the value of having the Women in our Bulletin and the fact that three of our sponsors are Women's Club members, **Director Scudieri moved and Director Watson seconded a motion to continue to include the Women's club in the Bulletin as usual without any payment this year. Motion carried unanimously**

Secretary's Report: Secretary Horton filed a written report that included the following

- Get well cards were sent to Tom Fuhrman (knee surgery) and Shannon Van Druff (hospitalization for blood clot).
- Sympathy cards were sent to Tom Pierick (loss of his wife) and the Scott Collin family (loss of Scott).
- No action on name plaques was reported.

Treasurer's Report: Treasurer Rod Smith presented his report, noting:

- The 2019 Budget that is based on last year's regular expenses, 245 regular members, and all reported sponsors. The budget includes a \$273 loss that will be easily taken care of with our reserves. No capital investments are expected this year. He cautioned that if all the sponsorship money is not collected, we will need to review the Board's policy on "giving". **Director Poland moved, Director Halsey seconded approval of the budget as presented. Motion carried unanimously.**
- The process of accounting for rolling SCGA renewals is ongoing. A process has been identified but an accurate renewal date for every member is needed. Director Brack agreed to provide the information he has. Once confirmed and the new process is put in place, we will be able to determine and report the amount of deferred membership income that has been collected each month.
- President Evans reviewed the list of sponsors that have not paid, and all Board contacts confirmed or previously reported that the checks would be received shortly.
- The books have now been reconciled for the past two years and are ready for the audit. The audit is expected to be completed in the coming month.

Membership & Rules: Director Brack reported the following:

- There are now 237 members, with 139 renewals done online (58.6%). There are now 3 Junior Members, and 3 Social Members.
- There were no rules issues in this period.
- Director Brack noted again that we need to consider a Saturday Game to attract younger members that work during the week".

Questions and Comments from the Floor

- Bill Levis reported the following on behalf of CLAPPS
- An invitation was extended to all Board members to join the CLAPPS annual Borego Tournament March 11-13.
- CLAPPS requested a contribution for their Beautification Tournament will be on April 27th. The 2019 Budget includes a \$1000 contribution and the **Board agreed to pay that on receipt of a written (email) request to Rod Smith.**
- Travis Montgomery will provide a flyer for the Beautification Tournament to be included in the Bulletin
- Don Norris requested a contribution for the Tuesday Work Group projects. **Director Poland moved, Director Watson seconded, that the Men's Club make a \$1000 contribution to TWG noting that the amount was included in the 2019 Budget. Motion carried unanimously.**
- Don Norris reported that TWG is planning a celebration for Hub Watson one Tuesday morning in March. All are invited to a BBQ in the Maintenance yard. Time and date to be announced.
- Team play has begun with John Keigwin leading the Thursday team and Rick Halsey leading the Saturday team. **Director Newsom moved and Director Watson seconded a motion to provide a subsidy of \$1250 per team as budgeted. Motion carried unanimously.**

Handicap Report: 1st Vice President Chris Wilkeson filed a report that included the following information.

During the month of January 2019: 53 indexes went down; 85 remained the same; 95 went up; 2 members have no index; 8 members have a local index (over 36.4); and 2 members have reduced indexes. 859 rounds were posted by 170 members; 16 rounds were not posted; 5 cards had no date; 2 cards had names that were unreadable.

Major Tournaments: Jerry Watson

Director Watson reported that the Sweethearts Tournament has 64 players signed up to play and 70 for the lunch. We will play the women's style 4 player tin whistle in two flights – high and low. Both flights will have 2 closest to the pin contests. Complimentary range balls are included, and Pat will manage the scoring. Lunch will be Chicken Piccata, rice pilaf, vegetables and lemon cake. Travis Montgomery is providing the table decorations. Director Watson will send an email blast reminding everyone about the 9:00 start time. Lunch is expected to begin about 2:00 PM with the awards following.

Wednesday Game: Chuck Newsom

- Director Newsom reported that an issue has come up regarding the tees that the high handicappers should play from. Currently, players with an index lower than 28 play from the blue, between 28-34 they can choose to play from blue or white, and of over 34 they can play from blue, white or green. Each is expected to announce what tees they are playing from when registering. At issue is whether this is appropriate for each of the three games Wednesday – regular game, the skins game, and the hole-in-one game. It was reported that Chris Wilkeson had done quite a bit of research on this last year and come to some conclusion. Director Newsom will check with Chris and propose a resolution to the issue for the Board to consider and act on.
- Director Newsom also mentioned a problem that has arisen with a member bringing in a guest regularly and dominating some of the two-man Wednesday games. There was general agreement that this was not appropriate and should be limited but not to the extent that it would prevent out of town guests staying in Canyon Lake from playing multiple Wednesdays while in town. It was pointed out that the Family Club accepts everyone all the time with a limit of 25% outside members per round. **Director Newsom moved and Director Watson seconded a motion to add the following rule to the Wednesday game.** "Members may bring a guest to play in the Wednesday game once per quarter, unless otherwise authorized in advance by the Wednesday game director."

Public Relations: Director Poland filed a written report and discussed the following based on that.

- The February Bulletin was produced and distributed on time. Changes in format and content appear to be well received. Suggestions for improving future Bulletins are welcome anytime
- In an effort to raise awareness of golf in Canyon Lake, stimulate membership growth, and increase the number of rounds played each year, the Bulletin is planned to be expanded to include information about all of Canyon Lake's Golf Clubs and more information about the golf course. We have direct circulation to the Men's and Women's Clubs and indirect through the Canyon Lake Men's club website. We have 20 pages available each month, 5-6 of which are available for monthly content. Director Poland suggested the following recommendations for Board approval.
 1. The men's club continue to fund and lead in the development and publication of a "Golf Clubs" Bulletin using sponsors money with requesting money from the other clubs.
 2. Continue to dedicate 5-6 pages each to the Men's club and to the Women's club, 1 page to the ALB. Allow 2 to 3 pages each for Men's and Women's Board minutes.
 3. Invite the Ladies 9'ers and Family club to submit content, up to 1 page per month related to their activities.
 4. Balance of the pages are dedicated to general information (calendar, rules, news, and the sponsors).
 5. Add email blast to ALB, 9'ers, Family Club.
 6. Update the POA website and move the Bulletin to the front page.
 7. No additional cost to the Men's Club is expected.
- There was general agreement that this was a good idea, though the issues related to our relationship with family golf must be handled very carefully. We are not interested in taking them over only reporting their activities. Director Newsom requested that the title of the Bulletin be changed from Canyon Lake Golf Clubs back to Canyon Lake Golf to avoid giving the impression that we are trying to take over. **Director Poland moved and Director Halsey seconded a motion to accept the recommendations. Motion carried unanimously.**
- The Roster text revisions and updated membership list has been delivered to the Publisher. New cover with new logo is now under development. Joe and Travis will assist with the review of the proof. We expect to distribute the Roster by early March. Director Poland agreed to send out an email blast immediately requesting changes from the 2018 roster to provide one more opportunity to identify changes that have not yet been reported.

Green Committee: Tom Scudieri

Director Halsey attended his first committee meeting before the reassignment and filed the following report that was discussed. Course condition. Mark Louder reported the greens have just been vertically cut with a needle point machine and are responding well. During the October closure conditions deteriorated because they tried a different approach this year that did not work. The greens were sanded first and then punched. The result was that the green grew back unevenly that caused the greens to be rough and caused natural pit marks. This approach will not be used in the future. Mark also reported that grass does not grow on the lower left front of the 10th green because there is not enough sun. Mark will continue to cut the greens down and roll the greens twice per week to smooth them out. He also said that the greens were running at 12 on the speed meter.

- A no play zone has been created to the left of #4 and behind the green. The stakes have been placed on the hole and the no play zone is now in play. Any player entering the zone should receive a one stroke penalty.
- Solar panels will be installed on the parking lot and be completed in October of this year 2019.
- The tree subcommittee is addressing the drought sensitive areas that the POA is responsible to maintain.
- Some golfers are parking their carts on the course and at times too close to the greens. The rule on the book is 15 yds or 45 feet. The suggestion was made to give citations to those who violate this rule.

The Green Committee is the communication link to the POA Board and Director Scudieri is the Men's club representative, a voting member and our link to the Board. The Men's Club Board determines the club's positions on the issues related to the condition of the course that need to be proactively carried forward by our representative. This is especially important since there seems to be a growing lack of communication with the POA Board on issues that are important to us.

New Business: Members of the Board are encouraged to attend a POA Finance committee meeting related to next year's budget tonight at 6PM

Next Meeting: Wednesday – March 6, 2019 – 1:45 p.m.

Meeting Adjourned at 4:20 PM.

Respectfully submitted:

Chris Poland for Ted Horton - Secretary, Canyon Lake Men's Golf Club

**Canyon Lake Women's Golf Club -- General Board Meeting Minutes
February 5, 2019**

Call to Order: 11.02 a.m.

Roll Call: Present: Ura Furry, Kathy Homewood, Linda Kamashian, Norma Yarbrough, Marlene Cathro, Ina Pickard, Barbara Spraul/Sue Sell, Linda Hudson/Linda Helmer
Absent: Mary Burns, Marilyn Bridges, Barbara Horrigan,

Pledge of Allegiance: Led by **Mimi La Rosa**

Minutes: A motion was made by **Sue Sell** and seconded by **Norma Yarbrough** to approve the minutes as presented from the January 15, 2019 Board Meeting. The motion was approved by all in attendance with none opposed.

GUEST SPEAKER: Pat Kemball

Pat asked if there were any questions on the new penalty areas. He stated he has a local rule sheet which he will give to Ura to distribute to the membership regarding the penalty area. On Hole No. 4 the red with green top stake is a no-play zone. We are not to go into that area to retrieve or hit our ball. If ball is hit out of that area we will receive a penalty stroke plus the normal penalty stroke. He may change how some of that area is marked, but at the present the edge of the cart path on the left-hand side all the way around the edge of the drought tolerant area will define the margin of that no-play zone.

Hole 10 is also now a no-play zone. It is all red now instead of yellow, which means that if it hits the bank on the other side of ditch and bounces back into the penalty area you can drop on the other side no nearer the hole. You must be virtually certain it went across.

Pat is also going to a three-day rules school to check on some of the new changes. He wants to talk to some of his SCGA friends regarding some of our thick drought-tolerant areas becoming penalty areas rather than lost ball, stroke and distance and whether it would affect our rating. He also told us Saturday is Taylor Made fitting day from 10 to 2 if we want to make an appointment for a fitting. Callaway is also having a fitting on March 5th from 10 to 2.

OFFICER REPORTS:

President Ura Furry

Ura thanked Norma Yarbrough for a very nice roster and also thanked Barbara Spraul for the wonderful picture on the cover. They are available in the Pro Shop if you haven't gotten yours yet. She also thanked Barbara Horrigan for taking care of Beat the Pro. She reminded us that the Valentine's Tournament is coming up next week so support our club and committee by signing up.

Cheryl Lewis from the 9ers spoke to us about their Valentine tournament. She stated there are four groups from the 9ers playing in our tournament and she would like us to support their tournament. It is on February 14 and is a 9-hole scramble, and will include men. Tee off is at 10 with registration at 8:30. Joanna is collecting the money for the tournament.

Ura continued her report and stated Seven Hills is having their annual invitational on March 14. The flyer will be on the bulletin board.

She reminded us that our Member Guest is on May 10th and it will be a Member/Guest invitational where you can have one member and three guests, two members and two guests or a team of four guests. She asked us to start thinking about our guests and any additional guests. It will bring more people to our tournament and, in turn, more money to the POA and Pat. She said she knows of one club that has 30 members and they ended up with more than 100 playing in their tournament.

She told us Bonnie Harlow is selling her golf cart because she's moving, it has a cover and new batteries. If you are interested call Bonnie.

Treasurer: Kathy Homewood.

The treasurer's report was distributed for review to the members present. Our account balances with the bank. We were again charged a \$15 bank fee because we were under the amount needed to maintain a free checking account, but we are now over the amount needed and should be okay going forward.

She went over our profit and loss budget versus actual and also created a profit and loss budget performance so we can see our reserves and where we stand today. This can be done monthly or quarterly, depending on how we want to do it. We are at 99.09 percent of our budget for January.

Kathy said she can also save us money by doing our taxes, it's very simple and will take her 10 minutes if the Board okays it. The Board unanimously approved it.

She also checked with the CPA and accountant regarding how we could handle keeping some of the profits from the Breast Cancer Tournament. They said it would be okay as long as we make a disclaimer on the bottom of our flyer.

She said we can continue to pay 100 percent to Michelle's Place as we have been doing in the past or we can pay out whatever we decide to pay out and keep a portion in the account for next year's tournament, so that 100 percent will be spent and sent to Michelle's Place but it doesn't have to be in the same the year.

NORMA YARBROUGH asked if we have to donate all of our money from Fiesta Day. Ura said no, we're not donating it. Kathy said she will check on that.

Ura asked if there were any questions or corrections to the budget. Hearing none, a motion to approve the Treasurer's Report was made by **Linda Kamashian** and seconded by **Linda Helmer**. The motion was approved by all in attendance.

Major Tournament Chair: Mary Burns (Absent.)

Linda Kamashian spoke about the upcoming Valentine's tournament. She said we have 56 players. They are going to have mulligans and magic putts and the proceeds will go to our club and will not be used to pay for the tournament. Also we will have an opportunity drawing, and the proceeds from that will go into our treasury.

Handicap Chair: Linda Kamashian

The most improved golfer for January 2019 was **Judy Kim**, followed by **Kathy Homewood**, **Babette Stubbs**, **Donna Nunes**, **KK Beecher** and **Ina Pickard**.

Linda talked about changes to the GHIN program starting in early spring, one being if two people share the same email address GHIN will strip that email and the only place we will be able to post will be at a golf club. We will no longer be able to look up our scores on the GHIN app, or receive notifications, etc. She will be sending us an email regarding this change. She will also be attending a class on this change in April..

Pat added that the posting computer downstairs is no longer working. They now have a tablet in the Pro Shop where we can post our scores. We will also be dropping our scorecards there, where they will check to make sure it's filled out correctly. Our Tuesday morning cards, however, will still be given to Linda.

Bill Levis with **CLAPPS** stepped in to extend the annual Borrego Tournament invitation to the **CLIPPS**.

Tuesday Tournament: Barbara Horrigan (Absent)

URA FURRY gave the report for Barbara.

There was no Low Net or Low Gross today because of rain. February 19th will be our next Low Net/Low Gross because our Valentine's Tournament is next week. There will also be no open play or meeting.

Beat the Pro had 23 participants, 12 of those participants beat the pro. The winners doubled their wager, the other participants have an amount equal to their wager available in the Pro Shop.

Membership: Norma Yarbrough: We are losing **Bonnie Harlow** as a member as she is moving. Bonnie's SCGA money will be refunded. We are now at 67 members plus three social members. The question was brought up if we could get extra rosters and the cost. **Norma** said she will check into that.

Corresponding Secretary: Barbara Spraul/Sue Sell:

No report

Rules Chair: Marilyn Bridges: (Absent)

Social Chair Linda Hudson/Linda Helmer: Linda Helmer said they were all set for the next tournament. **Linda Hudson** said they just needed to do the table numbers. She also said that **Darlene Cortez's** daughter-in-law made eight beautiful golf center pieces, which **Darlene** donated to our club.

COMMITTEE REPORTS

Green Committee Linda Johnson - WGC Representative:

Linda had no report because the next meeting for the Green Committee is Tuesday, February 12th at 3:00. She said several of the girls asked if we could get the bushes cut down on Hole 17 as they were getting high and it was hard to see over them. She asked **Mark** to see if the **TWG** would trim them.

Sunshine Lila Gann: No report

SB&R Darlene Cortez: Our next SB&R is at Paradise Knolls on February 28.

CLIPPS. Valerie Montgomery: CLIPPS had their first meeting for the year and they have started planning the Senior Tournament, which is April 23rd and 30th.

18 Hole/Niners Liaison : Kathy Voss: The Niners registered 39 members and 15 are members of both the Niners and 18-holers, for a total of 54 members. They just had one new member join, bringing the total to 55. **Marilyn Bridges** is helping the 9ers with the rules and played with them last week. **Pat** and **Bryan** are also helping them with rules and pace of play. She asked that we be patient as they are just learning the rules. Kathy will also give them more information about our club and SB&R.

Big Sister/Little Sister: Merilyn Murphy (Absent)

Old Business: Ura notified the men we could no longer afford to donate to the bulletin. She said they are having their Board meeting tomorrow and we would have an answer on what they were going to do. The bulletin costs the Men's club about \$2000 a year, and they averaged that amount in sponsors this year. She also made an example of a bulletin we could put together ourselves if need be. We have three members of our club that sponsor the bulletin. **Anne Norris** suggested that we consider having sponsors in our roster.

New Business

Medallions : Ura has an estimate of the small medallions in gold and silver. There was much discussion regarding the medallions and the cost of gold. We talked about the smaller medallion, but that would still cost us \$400 for just the basic design without the rope. We discussed looking for something that would be less expensive and that we wouldn't need to have a mold for. **Sue Sell** volunteered to do the research on something less expensive, perhaps a golf bag pendant. **Barbara Spraul** volunteered to call other clubs and see what award they give to their club champions. For ladies that have the old medallion, they will still get a diamond for that if they win.

Ura also volunteered to have a garage sale to help put money back into our club treasury. This will take place in either April, May or June and be a two-day sale, so start getting your items together. She'll ask for volunteers. **Joanna** said the Lioness will also have their garage sale in April, so maybe ours will be in May. Unsold items can be taken to Angel View, the Women's club also takes clothes to the women veterans in Long Beach. Golf equipment that doesn't sell goes to Pat for Junior Golf.

The Next Board Meeting is March 5.

The days of yore.

Canyon Lake Country Club circa 1970

Here is a scaled down copy of the cover page of the Canyon Lake Men's Golf Club's first Golf Bulletin. The following paragraph is a reprint from the first page of this Vol. I, No. 1 Bulletin:

"Canyon Lake Lodge, July 20, 1970 – An informal meeting was held at the old Lodge building to get the new Canyon Lake Men's golf Club started. Ralph Brogdon of Redondo Beach was chosen as the first club President, Bill Gibson of Santa Monica was chosen as 1st V.P., Harry Thompson of Los Alamitos as 2nd V.P., Dale Kroesen of Los Alamitos as Secretary, and Ron O'Reilly of Stanton as Treasurer. It was agreed that all would serve on an interim basis so that the club activities for the rest of 1970 could be planned and general membership meetings could be organized. An interesting note is that on November 30, 1970 one of the Board meetings was held at the Los Alamitos Country Club. I assume the reason being that the Board member's permanent homes were not in Canyon Lake."

At this same meeting the C.L. Men's Club Board of Directors decided that all new members who sign up by October 30, 1970 would be considered Charter Members. By the October 30th deadline there were 84 members who had signed up as Charter Members. In doing some research I was only able to locate three. Gene Brown, a Past President, who still lives in Canyon Lake and plays golf two or three times a week, Charlie Jenkins who also lives here but years ago gave up golf to concentrate on tennis, and Ron Devey who now lives in Orange County.

At a Directors meeting in November of 1970 it was decided to adopt the name "Canyon Lake Golf Club" as the club's official name.

An item of interest – On Sept. 26, 1970 at the Lodge a meeting of lady golfers was held, this meeting was the beginning of the Canyon Lake Women's Golf Club.

Another item of interest – It was on July 21, 1970 that the second nine holes were opened for play.
