## President's Message

by  
*Travis Montgomery*

Welcome back to the golf course after its three week closure for overseeding. Now it's up to us and Mother Nature to help it get ready for winter and spring golf. We can do our part by observing "Cart Path Only" use until it is removed. During the closure, if you played other courses in the area you should appreciate the year round condition of our course and the value we receive as annual members.

On November 10, the annual Veteran's Day celebration will take place in the Town Center. This event is sponsored in part by the Men's Golf Club through funds raised in the 50/50 drawing each Wednesday. This year we contributed \$900. It's a great Red, White and Blue event to attend and pay tribute to those that have and are currently serving in the military of our country.

On November 17/18 we will hold our fall Member/Member tournament. This tournament reaps the benefits of our Stag Day tournament with an outstanding tee prize, hosted breakfast on Saturday and lunch following the tournament on Sunday. The tournament is limited to the first 100 golfers (50 teams) that sign up. You can pick your foursome for the first day and pairings will be set by where you are in the tournament for Sunday.

Several significant golf rule changes will take effect in 2019 from the USGA. A rules seminar will be held on Tuesday, December 11 at 4:30 p.m. in the Magnolia Room. Show up and learn about the new 2019 rules. Refreshments will be served.

Mark your calendars now for our Christmas tournament on Saturday, December 15. We will be returning to an evening banquet with spouse/guest, following the morning "shotgun" tournament. The evening will include the installation of the 2019 Men's Golf Club President and Board, tournament winners for the day and presentation of the "golfer of the Year" award and other recognitions. Again, the evening banquet at the Country Club is an event to which you can include your spouse/guest for an enjoyable holiday evening.

As we enter the holiday season, I want to take this opportunity to thank all of you for your support of the Men's Golf Club this past year and to wish each of you and your families a Happy Thanksgiving!

Travis Montgomery, President.

## President's Message

by  
*Ura Furry*

Hope everyone had a good time during the closing of the course for 3 weeks. It will be cart path only, so with your cooperation I hope you will protect the new grass and not drive on it until you are told to. Also when you are playing, be sure to sand your divots.

Our next tournament is our "Jack & Jill" Sunday, November 11, at 9:00am tee time. Let's have a great turn out, find a partner and sign up in the pro shop. It's a fun enjoyable tournament.

I want to thank the Niner's for a very successful Scholarship Tournament. They had 96 players and raised a lot of money for some Canyon Lake students. Great Job!

Our most improved golfer for September was KK Beecher. Great job KK! It was a good month for her because also she celebrated her 50<sup>th</sup> Birthday. Our October Low Gross was Jeannette Williams with 92 and Low Net went to Lorrie Sjomeling with 67. Well done ladies!

The 2019 membership dues are now due. The dues remain the same \$82.00, so fill out the form that was sent to you and mail or give it to Norma Yarbrough along with your check made out to CLWGC.

SB&R was played at Seven Hills on Sept. 27th, and our team won 72 points. We have won 432 points for the year. We will be playing at Glen Ivy on Oct.25<sup>th</sup>. There is no play in November. But if you are playing at Paradise Knolls on December 6<sup>th</sup>, you must send your check in November 1<sup>st</sup>- 8<sup>th</sup> to play. It is our Christmas Play day; the game is 2 Best Balls of the foursome. Teams will win money. Please plan on staying for the yearly awards. Our 2019 Canyon Lake Representative is Darlene Cortez for her second year, and serving on the Board, Linda Helmer will be Secretary, Ura Furry President for her second year and Joanna Spiller Parliamentarian for her 5<sup>th</sup> year.

It is starting of a busy time of the year, so hope you start by enjoying Halloween, then the shopping, Thanksgiving, more shopping, then Christmas. Stay stress free, for "It's The Wonderful Time of The Year" with friends and family.

CLWGC President Ura Furry

# 2019 USGA Rules

## Here are just a few rules changes that are scheduled to take effect on January 1, 2019

### **Where a Dropped Ball Must Come to Rest**

Players will continue to drop a ball when taking relief, but the dropping procedure will be changed in several ways as detailed in Rule 14.3:

- The ball will need only to be dropped in and come to rest in the relief area; and there will be no re-drop requirement if the dropped ball accidentally hits a person or object after hitting the ground but before coming to rest in the relief area.
- If the dropped ball comes to rest outside the relief area, it will be dropped a second time; if it comes to rest outside the relief area after being dropped a second time it will be placed where it first touched the ground.
- If the placed ball will not come to rest on that spot after two attempts, the player will then place the ball on the nearest spot (not nearer the hole) where it will come to rest.

### **When to Replace a Ball That Moves on a Putting Green**

Rule 13.1d, will revise the procedure for when a ball on the putting green is moved by wind, water or other natural forces, so that it must sometimes be replaced and sometimes be played from its new spot:

- If the ball had been lifted and replaced on its original spot before it moved, the ball must always be replaced on its original spot, regardless of what caused it to move.

The ball must be played from its new spot only if the ball had not been lifted and replaced before it moved.

### **Touching Loose Impediments or Ground in a Penalty Area**

Under Rule 17:

- There will no longer be any special restrictions when a ball is in a “penalty area” (the expanded designation for the area that includes what are now called water hazards).

A player will be allowed to touch or move loose impediments and touch the ground with hand or club (such as grounding the club right behind the ball) for any reason, subject only to the prohibition on improving conditions for the stroke (see new Rule 8.1a).

### **Moving or Touching Loose Impediments or Touching Sand in a Bunker**

Under Rules 12.2a and 12.2b, the player will be allowed to touch or move loose impediments in a bunker and will be generally allowed to touch the sand with a hand or club; but a limited prohibition continues so that the player must not:

- Deliberately touch the sand in a bunker with a hand, club, rake or other object to test the condition of the sand to learn information for the stroke, or Touch the sand in a bunker with a club in making a practice swing, in grounding the club right in front of or behind the ball, or in making the backswing for a stroke.

### **Unplayable Ball in a Bunker**

The player will have an extra option allowing relief outside the bunker using the back-on-the-line procedure, but for a total of two penalty strokes (Rule 19.3b)

### **Ball Accidentally Struck More Than Once During a Stroke**

Under Rule 10.1a, if the player’s club accidentally hits the ball more than once during a single stroke: There will be no penalty and the ball will be played as it lies.
