President's Message

by
Travis Montgomery

Hopefully, our long hot summer is coming to an end and we will be able to enjoy our golf course in its best condition of the summer. The golf course superintendent and his staff have worked diligently to protect the course during the record heat. Thanks to all of our members that are participating in the **Member/Guest Paradise Classic** this next weekend. It should be a fun event for all and an opportunity to share our fine golf course with others. **Stag Day** is on September 29. This is a fun event, with an opportunity for both players and non-players to win great raffle drawing prizes. Even if you don't play in the tournament, you can buy one or more of the raffle tickets and attend the evening **stag** dinner and drawing. Members of the Men's Golf Club board will be selling golf, dinner and drawing tickets. *At the August Men's Golf Club board meeting, following a member request, the board agreed to review the possibility of the Wednesday 18 max skins game being calculated using "half pops" or half strokes. The five Wednesday games in August will be evaluated using both the current full stroke calculation and the half stroke method. The "half pops" method means that a natural birdie, by a player who does not stroke on a hole, will not be tied by a par from a player with a full stroke on that hole. The same would be true for a non-stroking player who gets an eagle. He would not be tied by a player with a stroke who gets a birdie. This will be discussed in detail at the September 5 Men's Golf Club board meeting. Please come and share your thoughts as the board considers this matter.*

In case you want to do a little advance planning for when the golf course is closed for "over seeding" and maintenance, the course closes on Monday October 8 and reopens on Monday October 29. We will undoubtedly be "cart paths only" for at least a week upon reopening.

Just before the course closes, the City Championship for Canyon Lake will be held on October 6&7. This event is being sponsored by the POA and the City of Canyon Lake and is open to anybody who would like to play. It is a gross event with flights based on handicaps. Further information is available in the pro shop.

Looking forward to seeing you at the Member/Guest and Stag Day.

Travis Montgomery

We have had a very hot summer so far, but all of you who participated in the Couples Eclectic survived the heat. The Committee of Linda Kamashian, Ina Pickard and Judy Thompson did a great job putting it on. Congratulations to all winners'.

A big thanks goes to the Breast Cancer Tournament committee, Linda Hudson, Kathy Voss, Babette Stubbs, Kathy Homewood, Valerie Montgomery and Joanna Spiller for a great fun and successful day. They were organized, worked very hard together as a team effort to make this fundraiser worthwhile. They sent a check to Michelle's Place for the amount of \$5,046.81 in support to breast cancer. Great job ladies!

At our General Board Meeting the nominating committee announced our new 2019 Board of Directors. They are as follows: Tournament-Mary Burns; Social- Linda Helmer/Linda Hudson; Handicap-Linda Kamashian; Tuesday Tournament- Barbara Horrigan/Marlene Cathro; Recording Secretary-Ina Pickard; Treasurer- Kathy Homewood; Membership-Norma Yarbrough; Corresponding Secretary- Barbara Spraul/Sue Sell; and President- Ura Furry. Thank you ladies for stepping up and volunteering to be our 2019 Board of Directors.

Congratulations to our July most improved golfer Valerie Montgomery. Also to the August Low Gross winner Maxine Whalen and Low Net winner KK Beecher. Great job ladies!

At SB&R in July, 9 ladies went and 6 of them won 38 points for Canyon Lake. There is no play in August.

Our Member/Member Tournament is a 3 day event starting September 11th. So I hope all of you will find a partner and sign up. Your partner can only be a 10 stroke difference.

We are trying something new in having a guest day, Big sister/Little sister Day along with Regular Tuesday play on August 28th. Hope you all will participate.

Hope those of you that went to Pismo will have a great time, played good golf and got away from the heat for a few days.

Stay Cool and Hydrated.

Chuck Hawley Sets Golf Milestone

Chuck Hawley set a golf milestone that most of us would never consider possible. He shot his age 100 times and he is only 86 years old. It all started 15 years ago when he was playing Eagle Glen golf course in Corona on October 1, 2003. Chuck pulled off a smooth 71 to match his age. Chuck is a long time Canyon Laker who has been around for many years. He purchased his first piece of property in 1977 and spent many days on the lake with his young family. Chuck has always been an avid golfer and joined the Men's Golf Club in 1987. Over the past 15 years he has played many courses in the area and shot his age at most of them like Diamond Valley, Menifee and Trilogy (Glen Ivy). One of his more memorable rounds was on a trip to Oak Harbor Washington to visit his brother, a retired Naval Captain. They played "The Gallery" golf course on the Whidbey Island Naval Air Station where Chuck proceeded to shoot his age and beat his brother. His 100th time came just last month at home in Canyon Lake. On July 20th Chuck shot an 84. That was two below his age which is a fitting way to reach that milestone. That experience was shared by two of his long time friends and golfing buddies for many years Tom Steinle and Larry Gann

CLAPPS Show Their Appreciation to Major Donors

Bill Levis, the Beautification Tournament director, shows his appreciation to Travis Montgomery, the Men's Club President, for their generous donation to the CLAPPS annual event. The Beautification Tournament has been around for many years but most recently in the past 10 years the tournament has raised nearly \$70,000 with 100% of the funds spent on course improvements on the golf course. Some of the recent projects have been the 10 foot tall *Street Clock* at the putting green, the *Bronze Plaques* mounted on the tee box boulders, the new *Concrete Benches*, the expanded *Practice Putting Green* and the *Artificial Turf Teeing Area* on the driving range.

This year's major donors who have contributed \$500 or more are the Men's Golf Club, Women's Golf Club, Margaret McCoy of Coldwell Banker Real Estate, Todd Theodora (Angel Tickets) and the Canyon Lake POA. The CLAPPS would like to thank all who participated.

The CLAPPS would like to hear from anyone who might have a good idea for our next project. Send your thoughts to the CLAPPS President Jim Magill at jamesmagill1926@gmail.com.

Sam Theodora Celebrates His 80th Birthday On the Mound at Angel Stadium

Sam Theodora celebrated his 80th birthday a little early when he walked on the pitching mound at Angel Stadium. He was selected to throw out the first pitch of the game on August 7th when the Angel hosted the Detroit Tigers. Sam won't actually turn 80 until October 9th of this year but that didn't matter because his wife, Joyce, and close family were on hand to celebrate the event.

Sam heard about a campaign the Angels have to recruit fans for the first pitch honors from his son, Todd, whose firm is legal counsel for the Angels. When Sam looked into it he found out the Angels have a program where they honor citizens of the Los Angeles area who have served their country and their community. He immediately filled out the application listing his credentials of military service and many years on the Los Angeles Police Department not knowing what to expect.

Sam served three years in the Coast Guard right after high school then got a job with the US Army where he worked on a Nike/Hercules missile base in New Jersey for four and a half years.

Following his time working for the government Sam joined the Paterson Police Department in New Jersey where he fell in love with police work learned his craft. After five years in Paterson Sam got the bug to move to LA and serve on the LAPD. He went through the full application process, trained at the Police Academy and graduated as a Los Angeles Police Officer where he served 25 years on the department.

Sam's career spanned 38 years where he served his Country and his Community which was what earned him a spot on the pitcher's mound in Angels Stadium where 30,000 fans could thank him for his service.

Sam had several weeks to practice and needed every bit of it. The mound is over 60 feet from home plate and the strike zone is very small. When asked if he wanted to throw from a shorter distance his reply was "you don't know me very well". Sam was committed to throw from the pitcher's mound even if it flew over the catchers head.

On that special night Sam heard his name called out by the public address announcer and proudly walked out of the dugout to the mound. As he stood on the mound he couldn't help but see himself on the giant stadium screen. With all that excitement and everyone watching Sam threw a perfect strike over home plate to Justin Anderson and the celebration began.

Annual Breast Cancer Tournament

The Canyon Lake Women's Golf Club held its 19th Annual Breast Cancer Tournament on August 14th. 76 golfers participated and they were encouraged to wear "Pink" and decorate their carts. After golf everyone enjoyed a delicious lunch at the Country Club and then the fun began. 48 Raffle Prizes were displayed in the dining room and the raffle ticket sales were brisk. Immediately following lunch the Raffle began and golfers won everything from jewelry, a handmade quilt, afghan, theme baskets of wine and custom greeting cards to rounds of golf at local courses and a bicycle. A highlight of the afternoon was honoring the breast cancer survivors that played in the tournament.

For the 6th year, proceeds from the tournament have gone to Michelle's Place in Temecula. Reminder – *"Use the GHIN/SCGA Posting App on your smart phone"*.

The following items were discussed:

- Guests without GHIN handicap - After discussion it was moved by Director Kamashian, seconded by Director McCain and approved that *"the Handicap Chairman is authorized to determine an appropriate handicap for members or guests desiring to participate in club events if they do not possess a SCGA GHIN number"*.
- Access to SCGA CLMGC account – It was suggested that the Handicap Chairman and Membership Chairman should both have the access password to the GHIN account.
- "Half-pops" – It was suggested that "half-pops" (half strokes) be used for determining "skins for the Wednesday game for 18 and under skins. This would reward natural birdies or natural eagles. After discussion, it was suggested that we run parallel results for Wednesday Games during August to determine what difference "half-pops" would have made prior to further discussion. Members should be alerted that the Board will be determining whether to implement or, not implement "half-pops" for Wednesday Games at its next Board meeting.
- Skins & hole-in-One eligibility from Green Tees – the policy has been positively received and one skin has been won from the green tees.

Stag Day – September 29, 2018. 360 raffle tickets have been ordered. Tom Fuhrman will manage the Poker Tournament. It was noted that Stag Day pays off +/- 32 tickets.

Wednesday Game: Gary Bradford - absent

Director Bradford's written report noted July contributions of \$64 to the Veterans' Day fund and \$155 to the Picnic fund.

- Director Bradford urged that we obtain Wi-Fi in the Magnolia Room *"to enable use of the SCGA Tournament Software (TMC)"*. President Montgomery will talk to the POA.

Director Brack presented the following:

There are 253 members. 90 renewals were done online (35.7%). There are 3 Junior Members and 1 Social Member.

There were no rules issues in July.

- SCGA should be sending out notice for membership renewal two months in advance.
- It was suggested that the club present a "Rules Roundup" later in the year to review the upcoming 2019 revisions.
- The cost of Junior membership was discussed and it was determined that Junior membership fee would remain the same - (SCGA cost plus \$10.00). The SCGA currently does not charge for Junior members. Accordingly, Junior members pay \$10.

Upon installation the potable water supply to the pond on Hole 13 will be discontinued and the lake will be allowed to dry up.
