A LETTER FROM THE GENERAL MANAGER

It's hard to believe we're nearing the end of another fantastic summer in Canyon Lake. As the saying goes, time flies, but memories last forever. I hope everyone made wonderful memories this summer in our beautiful community. Whether it be our epic kick off to summer, Fiesta Hopper or simply relaxing on the sandy beach or enjoying a leisurely boat ride, there have been countless opportunities for good times here at home.

As we look forward to fall, we have a full calendar of events and activities planned for the community. One standout on the horizon is the 17th Annual Canyon Lake Car Show on October 7 — it's an event I personally look forward to. I'd definitely suggest marking your calendar to come out to see the incredible lineup of decked-out vintage cars. You can read more about this fun event on page 12.

On the projects side, we continue to make great progress renovating the Lodge. This highly anticipated project came after years of development. The Lodge has a prime location on the lake boasting breathtaking views. The facility is host to many community events and private functions throughout the year. While the Lodge facility dates back to almost the community's inception, the original building was demolished and rebuilt in 2000, 23 years ago. Many of the finishes inside the building are original, making them 23 years old and, at this point, very worn and dated. The bar area was last updated in 2014, over nine years ago. The outdoor space has become an increasingly popular revenue center, with weddings and events on the front lawn. However, the great view of the lake was almost totally obscured by hedges and trees. Further, the facility offers limited outdoor dining/bar areas. During Covid-19, we converted the existing outdoor sidewalk and patio into a dining area that turned out to be incredibly popular.

After two decades of hard use, we hired an excellent design team to coordinate a large-scale renovation at the Canyon Lake Lodge. A significant outdoor expansion is underway with a new outdoor

service bar designed specifically to serve a much larger front patio dining area and event/wedding space. You can read more about this project on page 8.

Another project I am excited about is the additional pickleball courts coming to Eastport Park. The current pickleball courts at this park were built in 2017 and have since become an exceptionally popular amenity. The current four courts are often crowded, and the new courts are being added to help alleviate that problem. In addition to the new courts, the existing four pickleball courts will also be resurfaced. The new pickleball courts are an exciting addition to Eastport Park and will provide more opportunities for Canyon Lake residents to enjoy this popular sport.

Lastly, we have a couple of projects that are wrapping up. I'm pleased to say the Canyon Lake Drive Medians project is now complete, and our community now has a whole new beautiful first impression. These medians, original to the community, were bare, and the large trees were uprooting the curbs and the street.

Another project wrapping up is our solar project. New solar structures have been added at the Equestrian Center, Lodge, and Golf Course. These structures had no upfront costs; instead the Canyon Lake POA will purchase the generated electricity at a much lower cost than current rates. We are expected to save millions over the next 25 years. Additionally, we have started a project at the driving range to improve the original driving range grass area with new surfaces better suited for shade, leisure, and practice.

I hope everyone has a wonderful fall and that you enjoy this issue of Canyon Lake Living!

BOARD MEETINGS

Regular Session Board Meetings

Regular Session Board Meetings are scheduled for the first Tuesday of each month at 6 p.m. These meetings are held at the Canyon Lake Lodge and are also conducted on Zoom. Canyon Lake homeowners are welcome to attend these meetings in person or via Zoom. Members attending the meeting in person must bring their Canyon Lake POA ID card, as it is used to verify membership. Regular Session Board Meetings are broadcast live on the Canyon Lake POA Facebook page (www.facebook.com/canyonlakepoa) and are posted online at www.clpoa.com/boardmeetings. Meetings are subject to change. Visit our online calendar, www.clpoa.com/calendar, for the most current meeting schedule.

Executive Session Board Meetings

The Canyon Lake POA's Executive Session Board Meetings are closed-session meetings that are not open for the members to attend. The meeting schedule is posted on the Canyon Lake POA website.

* Regular Session Board meetings are recorded and available on the Canyon Lake POA website (www.clpoa.com/boardmeetings).

COMMITTEE MEETINGS

- **Appeals Committee** (*closed session*)
Last Monday at 5 p.m.
Pool View Room at
Canyon Lake Lodge
- **Architectural Control Committee**
Every Thursday at 11 a.m.
POA Conference Room at
Canyon Lake POA Office
- **Estates Committee**
3rd Thursday at 4 p.m.
(every other month)
Magnolia Room at
Country Club
- **Facilities Planning Committee**
2nd Thursday at 3:30 p.m.
Magnolia Room at
Country Club
- **Finance Committee**
3rd Tuesday at 8:30 a.m.

Meet Your 2023 – 2024 Board

The Canyon Lake POA has a five-member Board of Directors who are collectively responsible for the management and operation of the Canyon Lake POA's business affairs. The Board of Directors are elected for staggered two-year terms by Canyon Lake property owners. The entire Board can be emailed at board@canyonlakepoa.com.

BILL VAN VLEET

Board President | bvanvleet@canyonlakepoa.com

TERM

2022 – 2024 (two-year term)

ABOUT BILL

Bill has been a Canyon Lake property owner for more than a decade. He brings a wealth of experience and knowledge to the Canyon Lake POA with more than 40 years of experience building and leading businesses. His distinguished career includes being a CEO for three successive technology companies and providing executive mentoring to several corporations in both the public and private sectors. Bill has also served on the Canyon Lake POA's Facilities Planning Committee, FPC/Finance Sub-Committee, and Security Committee.

GREG DOHERTY

Board Vice President | gdoherthy@canyonlakepoa.com

TERMS

2022 – 2024 (two-year term)

ABOUT GREG

Greg, a Canyon Lake resident since 2015, recently retired from a successful 50-year career in commercial insurance. Throughout his career, he demonstrated exceptional skills in managing and mitigating financial risk for clients. With a strong customer-service focus, Greg brings a fresh perspective to the Canyon Lake POA Board and actively contributes to the community through his involvement with the Finance, Recreation, and Rules committees. Greg also participates in several clubs, including the Pickleball Club, Yacht Club, and Car Club.

JOE KAMASHIAN

Board Secretary | jkamashian@canyonlakepoa.com

TERMS

2023 – 2025 (two-year term)

ABOUT JOE

Joe has been a Canyon Lake property owner since 1989. He is a dedicated community member and a strong advocate for maintaining and improving the amenities and infrastructure of the community. Joe aims to ensure the effectiveness of community patrol, protect property values through the management of repair and replacement reserves, and maximize the benefits of assessments. He is also actively involved in many committees and clubs. With a background in owning an electrical contracting company for 25 years, Joe brings valuable experience to the Board.

ALEX COOK

Board Treasurer | acook@canyonlakepoa.com

TERMS

2023 – 2025 (two-year term)

ABOUT ALEX

Alex has been a resident of Canyon Lake for over 20 years and has been actively involved in the community for nearly as long as he has been a resident. He has served on the Canyon Lake POA's Recreation Committee for the past eight years and has been chairperson of that committee for the past six years. He has also served on the Facilities Planning Committee and former Campground Committee (Club), as well as being involved in several community clubs throughout the years.

JEFF BILL

Board Director | jbill@canyonlakepoa.com

TERMS

2023 – 2025 (two-year term)

ABOUT JEFF

Jeff is an experienced professional dedicated to improving life in Canyon Lake. With more than 30 years in the environmental field, he has tackled water pollution in both public and private sectors. As a VP/GM, he led successful turnaround initiatives. Jeff's law enforcement background provides unique insights into community security. Actively involved in various activities, he serves on committees and clubs, fostering a vibrant community. Jeff aims to represent all members and bring unity and positive progress to Canyon Lake.

LODGE RENOVATION UNDERWAY

The Lodge Renovation Project is in full swing, and we anticipate its completion later this year. A remarkable transformation awaits at the Lodge, where an exciting outdoor dining experience is taking shape right in the heart of picturesque Canyon Lake. Our brand-new Sunset Lounge & Terrace is nearing its completion, promising a dining experience by the lake that's truly unparalleled.

With the bar renovations nearing completion, our attention is turning to the restaurant's interior that will undergo a complete makeover, featuring new finishes and furnishings. Simultaneously, we're revamping the lounge and dance floor area to create a modern and inviting atmosphere.

To ensure minimal disruption, we have divided this project into three phases. This approach creates the least disruption to the restaurant and bar functions so that they may remain open during construction. The renovation will not affect concerts and events in the Holiday Bay Room.

After two decades of hard use, we hired an excellent design team to coordinate this large-scale renovation and we are so excited to reveal the finished product!

For more information about this project, visit www.clpoa.com/lodgereno.

PICKLEBALL COURTS

ADDING 2 MORE COURTS!

Canyon Lake residents and guests will soon enjoy even more pickleball games in Canyon Lake! Construction is underway on two new pickleball courts at Eastport Park. These courts are being added to the four that were built in 2017 and are expected to be completed in the fall.

Pickleball is a racquet sport that combines elements of tennis, badminton, and table tennis. It is a relatively new sport but has seen rapid growth in popularity in recent years. In Canyon Lake, the sport has become very popular and the current four courts are often crowded. The new courts are being added to help alleviate that problem. In addition to the new courts, the existing four pickleball courts will also be resurfaced. The

new pickleball courts are an exciting addition to Eastport Park and will provide more opportunities for Canyon Lake residents to enjoy this popular sport. The Canyon Lake POA Board approved funding in the amount of \$332,486 plus a 5% contingency from the CIP fund and \$29,800 from the Reserve Fund at their March 7, 2023 Regular Session Board Meeting.

ENJOY OUR NEW MAIN ENTRANCE MEDIANS!

Canyon Lake has a whole new look and feel when you are entering the community's main entrance! After months of work, new life has been restored into the 55-year-old medians on Canyon Lake Drive South. These medians, original to the community, were bare, and the large trees were uprooting the curbs and the streets. The Canyon Lake POA hired a landscape architect with extensive experience in center median design to create a new look that would improve the visual appeal of the desolate medians. Now complete, there is new landscaping, trees, and uplighting that accentuate the new landscape. Additionally, a new left-turn lane was added onto Bluebird Drive creating safer access and new curbing to eliminate the old mailbox turnout before Continental Drive.

Work wrapped up in July 2023. This project was completed for the approved funding amount of \$630,000 (plus 8% contingency) that the Board approved in the December 2022 Regular Session Board Meeting.

50 YEARS OF HARD WORK & DEDICATION

The Tuesday Work Group (TWG) has been a driving force in maintaining and beautifying the Canyon Lake Golf Course for over 50 years. This group of dedicated Golf Course volunteers has significantly impacted the course's upkeep while saving the Canyon Lake POA a substantial amount of money in maintenance expenses.

TWG traces its origins back to 1973 when a group of golfers decided to pick up loose rocks on the Golf Course and fairways after their rounds. This initial effort soon evolved into a broader range of projects, including forming cart paths, trimming trees, and welding handrails. In 2003, TWG's charter was officially approved by the Canyon Lake POA, designating it as a standing committee with the primary responsibility of improving the Golf Course. Today, TWG boasts a membership of over 40 individuals, with some having dedicated over three decades of service. Their collective efforts result in approximately 2,000 to 3,000 service hours each year.

The impact of TWG's dedication and expertise is evident in numerous enhancements made to the Canyon Lake Golf Course. They have taken on major projects such as setting giant boulders at each tee and mounting bronze plaques, installing benches, and assisting with installing a post clock at the putting green. In addition, TWG has tackled crucial maintenance tasks, including repairing golf cart paths and filling divots left by golfers. Through their ongoing efforts, TWG works towards making the Golf Course a visually appealing and well-maintained community asset.

Recently, TWG celebrated a major milestone — their 50th anniversary. Past and present members gathered at the 10th tee to unveil a plaque commemorating their dedicated volunteer labor throughout the years. This event highlighted the group's evolution from a small gathering of rock pickers to a thriving organization responsible for substantial improvements on the Golf Course. Recognizing their exceptional contributions, the Canyon Lake POA selected TWG as the grand marshals of the 2023 Fiesta Hopper Parade — an esteemed honor that further emphasizes their integral role in the community. Additionally, the group hosted a banquet in June to commemorate their remarkable 50th anniversary. The event was a grand celebration of their half-century commitment to enhancing the Golf Course and their invaluable contributions to the community.

Over the course of 50 years, TWG has not only enriched the Golf Course unmeasurably. Their unwavering dedication and hard work exemplify the spirit of volunteerism and community engagement.

As TWG continues their mission, they extend a warm invitation to new members who wish to volunteer their time, meet new people, and contribute their talents to this remarkable group. TWG meets every Tuesday at 8 a.m. from October through June. By joining TWG, individuals can be part of a long-standing tradition of preserving and improving the Canyon Lake Golf Course — a true gem within the community.

Tuesday Work Group Members pictured (left to right): Jim Lippen,, David Nickel, Don Norris, Eric Shrader, Susan FitzGerald, Sam Theodora, Ed Doidge, Hugh Wagoner, Cy Peterson

IN MEMORY OF THESE DEDICATED TWG MEMBERS

Cy Peterson

Cy Peterson, a devoted Canyon Lake POA member since 1969, passed away at the age of 92. Cy's 54 years in the community were marked by his love for the community and active involvement. A true golf enthusiast, Cy's 23 years with the Tuesday Work Group showcased his dedication. He will be deeply missed by the community.

DON NORRIS

Don Norris, a devoted Canyon Lake resident, passed away at 80. For 15 years, he contributed passionately to the Tuesday Work Group, beautifying the golf course. His dedication earned him the Golden Shovel Award in 2022. He will be deeply missed by the community.

Canyon Lake Car Show

Get ready for an exciting event that has car enthusiasts buzzing with anticipation — the 17th annual Canyon Lake Car Show set for Saturday, October 7 at the Canyon Lake Lodge. The Canyon Lake Car Club and the Canyon Lake POA host this free community event, offering spectators a day to explore and appreciate hundreds of vehicles featuring classic designs that have stood the test of time as well as modern specialty cars.

The event starts at 9 a.m. when all cars line the Lodge parking lot for viewing and showing. Entries in this unique lakeside event are vying for 25 trophies. Judging is done by peers, automobile experts and Canyon Lake POA and City volunteers. Canyon Lake Car Club members will present their cars in a designated area for viewing but will not participate in awards to ensure a fair and impartial judging process. During this time, DJ Brett Harrell of High Energy Sound & Light Production will be playing tunes

that are sure to make the perfect car show atmosphere.

Keeping everyone fueled for the day will be a variety of food vendors selling mouth-watering breakfast burritos, tantalizing street tacos, bacon wrapped hot dogs and many other treats. The Lighthouse Restaurant also serves a custom event lunch and drinks menu. There will also be booths from local vendors and businesses.

But the excitement doesn't end there. Brace yourself for a jaw-dropping spectacle as the renowned Canyon Lake ShowCal Ski Show takes center stage at 1 p.m., captivating the crowd with a dazzling performance. Following, there will be a series of raffles offering a chance to win some incredible prizes and contribute to the Car Club's charitable endeavors. The grand finale, the awards presentation, will begin at 2 p.m.

The event owes its success to the dedicated volunteers from the Canyon Lake Car Club,

whose tireless efforts, combined with the support of generous sponsors, make this extravaganza possible. This year's event committee members are: Perry Beggs, Donna Lovejoy, Joe Landin, Mark Bann, Jay Stewart, Lynn Gast, Dick Gast, Babette Stubbs, Chuck Casey, Russ Smith, Todd Stover, Dory Thompson, and Ted Thompson.

The Car Show is a non-profit 501(c)(3) event, with proceeds donated to two commendable local charities: Project T.O.U.C.H. and Helping Hands.

Moreover, the Canyon Lake Car Show is organizing a special "Put a Jar in your Car" peanut butter drive. The Canyon Lake Car Club aims to collect jars of peanut butter for Helping Hands. As the most requested food item, peanut butter is vital in assisting local families and seniors in need, making a meaningful impact within the community. Every jar collected during the event will be donated locally, supporting this noble cause. The club is asking everyone who participates and attends this fun event to bring a jar of peanut butter to their club booth!

Perry Beggs, Canyon Lake Car Club President, shared his infectious enthusiasm, stating, "This promises to be another spectacular car show! On behalf of the entire club, we warmly invite everyone to join us at this annual event. We hope it will be an unforgettable day for all who attend."

In Memory

It is with heavy hearts that we bid farewell to founding Canyon Lake Car Club members and tireless Canyon Lake Car Show board members, Suzi and Pete Delia. We lost our cherished friend Pete only recently. He was preceded in death by his beloved wife Suzi. The presence of this couple was a source of boundless joy. Their memory will forever be etched in our hearts. They leave behind a legacy of smiles, laughter and a profound sense of community spirit that will continue to inspire generations to come. As we mourn their passing, let us also celebrate remarkable lives lived and the indelible mark left by this couple.

GOLF COURSE ANNUAL OVERSEEDING

GOLF EVENTS

Each year, the Canyon Lake POA closes the golf course for approximately three weeks to overseed the fairways, roughs, tees, and green surrounds. This year's overseeding will take place starting October 9 through October 29. The golf course will be closed during this time, and the Golf Pro Shop will be closed October 9 through October 22. Additionally, the Country Club Bar & Grill will be closed from October 16 through October 29 for its own scheduled annual maintenance.

WHAT IS OVERSEEDING?

Simply put, overseeding is the process of applying grass seed over an existing type of grass. In our region, the desert southwest, bermuda grass is a popular choice at golf courses for its heat and drought tolerance, rapid recovery rate, and nominal fertilizer requirements. However, when cooler weather comes around mid-December through February, the grass will go dormant, turn brown, and become difficult to play on. For this reason, we overseed with grass more favorable to colder conditions, such as perennial ryegrass.

Successfully growing an entirely new grass is no small feat. To begin with, we must wait for the existing bermuda grass to have a slower growth, which generally occurs as the weather cools in October. This paves the way for the seed bed preparation, then seed application, followed by seed germination, seed establishment, and finally, the first cut. These steps require a certain amount of time to complete, with a total timetable of approximately 18 days. During this time, all areas overseeded must remain wet for several days to germinate the seed. The irrigation system is programmed to water several times throughout the day, ensuring that the seed stays moist.

When the golf course reopens, the juvenile seedlings are often still weak and must be protected from golf cart traffic. The golf carts are asked to remain on the cart paths during this time, approximately three weeks after reopening. This allows the new grass to become established before undergoing wear from golf cart traffic.

I ♥ FITNESS

Canyon Lake's rolling hills make for a challenging and varied course for walking, jogging, or cycling!

NORTH GATE TO CANYON LAKE DRIVE

Distance: 1.9 miles

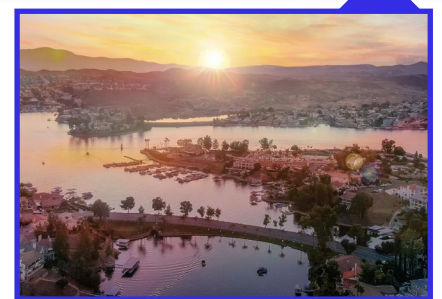

This challenging route ebbs and flows through several hills and provides a great whole body workout, no matter what the exercise.

MOONSTONE TO HAPPY CAMP

Distance: 1.6 Miles

This lakeside route offers fitness enthusiasts sweeping views of the lake for a majority of the route.

MAIN GATE TO VACATION DRIVE

Distance: 1.2 miles

This route features multiple hills, making it a great choice for a brisk walk, jog, or cycle.

EVANS PARK TRAIL

Distance: 1.8 miles

Evans Park West features a walking and jogging path with exercise stops that winds through 1.8 acres of mature trees and landscape.

EAST GATE TO VACATION DR.

Distance: 1.6 miles

Like many of the streets in Canyon Lake, this route also features multiple hills, making it a great choice for exercising. Bring your dog on this walk and wind down after your workout at the Eastport Dog Park!

CONTINENTAL DRIVE

Distance: 1 mile

Take a stroll on Continental Drive, and you will enjoy views of the golf course on your walk.

TIPS FOR EXERCISING ON THE ROADS

- 1 BE VISIBLE**
Wear bright clothes in the daytime. At night, wear light-colored and reflective clothing.
- 2 FACE TRAFFIC**
If you are walking or jogging, consider facing traffic as you are sharing the road with motorists.
- 3 KEEP PETS LEASHED**
If you're exercising with your pet, please remember to keep them on a leash.
- 4 BE AWARE**
Be aware of your surroundings. The streets can be busy with golf carts and other people walking, running, and cycling.
- 5 STAY HYDRATED**
Temperatures stay warm well into fall, so its important to carry water and stay hydrated to avoid heat stroke and other heat-related illnesses.
- 6 KEEP VOLUME DOWN**
Do not drown out your environment by listening to loud music on your earbuds or headphones. Keep the volume at a level where you can still hear your surroundings.

HOME SAFETY REMINDERS & TIPS

by the Security Advisory Committee

DON'T OVERSHARE ONLINE

Broadcasting large purchases or upcoming vacations can attract the attention of those who might target your home for valuable items, putting your property at risk.

LOCK UP

Locking doors and windows helps prevent unauthorized access, safeguarding your home and loved ones from potential intruders.

PROTECT YOUR NETWORK

Keeping your Wi-Fi network protected is an important part of keeping your home secure. Always use a strong Wi-Fi password and don't share it with anyone.

LEAVE SOME LIGHTS ON

Deter burglars by making it look like someone is home when you are not. Leave lights on or play music.

INSTALL SECURITY CAMERAS

Security cameras can send alerts to your phone when motion is detected, keeping you informed of any unusual activity.

MOTION DETECTION LIGHTS

Motion detection lights startle potential intruders by suddenly illuminating the area, deterring them from approaching your property.

SECURITY SYSTEM

A visible security system acts as a powerful deterrent, discouraging potential intruders from targeting your home.

SECURE GARAGES & SHEDS

Closed garage doors and sheds keep valuable tools, equipment, and belongings out of sight, reducing the risk of theft.

CANYON LAKE POA SECURITY ADVISORY COMMITTEE

The Canyon Lake POA's Security Advisory Committee assists and advises the Board on matters related to the security of the community and its facilities. There are a total of nine Canyon Lake POA members with diverse backgrounds ranging from law enforcement, loss prevention, safety to health, aerospace, and contract management.

- Rich Fransik, Chairperson
- Cathy Lekawa
- Greg Castillo
- Tony Schwarzman
- Darryl Jackson

- Rick Escobar
- Chris Hickok
- Bill Van Vleet, Board Liaison
- Amanda Moore, Staff Liaison

**CONTACT
COMMUNITY
PATROL
DISPATCH
24/7**

COMMUNITY PATROL

951.246.2721 – 24/7 Dispatch

Call the Canyon Lake POA's Community Patrol for non-emergency issues such as:

- Barking Dogs
- Report Curfew Violation (under the age of 18)
- Loitering/Solicitation
- Loud Noise Complaints
- Vandalism/Damage to Canyon Lake POA Common Areas

MARINE PATROL

951.246.3473

Call Marine Patrol for non-emergency issues such as:

- Boat Distress Assistance
- Returning Boat Inspections
- Boat Safety Inspections
- Boats Speeding

ALWAYS CALL/TEXT 9-1-1 IN AN EMERGENCY!

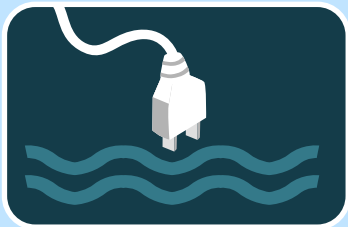

Always call or text 9-1-1 if any life is in danger, violence is being used/threatened, or a crime is in progress.

ELECTRIC *SHOCK* DROWNING

WATER AND **ELECTRICITY** ⚡
DO NOT MIX

Electric Shock Drowning (ESD) severely injures and kills people each year. ESD occurs when faulty wiring sends **electric current into the water**, which passes through the body and causes **paralysis**, which could result in **drowning**.

INSPECT YOUR DOCKS!

Any electrical installations or modifications on private property or within the EVMWD shorezone **must be permitted and inspected by the City of Canyon Lake Building Department**. Homeowners should hire a California Licensed electrical contractor to make any electrical modifications to their dock.

All dock electrical must be installed **in accordance with the latest edition of California Electrical Code** as adopted by the State of California. All circuits must be GFCI protected (CEC210). **Non-metallic sheathed cable (Romex) is not permitted** (CEC334.12). All installations, such as receptacle boxes or subpanels, should be listed as **approved for wet locations and mounted two feet above dam elevation of 1382 feet**.

WHAT TO DO IF YOU SEE ESD

Do not enter the water

Turn off source of power

Call 9-1-1 immediately

Use an insulated device (such as a fiberglass rescue hook) to help remove victim from water.

GUEST CALL-IN SERVICES

Canyon Lake residents have multiple opportunities to invite their visitors into the community with dwellingLIVE, an access control software industry leader that manages our convenient online guest call-in system. Through the online platform or mobile app, residents can add short-term and long-term visitors and service providers, such as contractors, service workers, delivery drivers, etc. Visitors receive a guest pass for the duration of your authorization; at most ten days. While your visitors may enjoy access to our amenities with your companionship, service providers are not authorized to park or utilize our amenities.

As a reminder, the Canyon Lake POA periodically clears the permanent guest list to ensure the list is up-to-date and reflects desired guests in the community. The list was most recently cleared on August 31. We encourage residents to utilize the new permanent guest list feature in your dwellingLIVE app or website account to manage your permanent guest list conveniently. Alternatively, you can visit the Canyon Lake POA Member Services office for assistance. Permanent guests do not have an expiration. However, guest passes are only issued for up to ten days.

HALLOWEEN

Reminders

With fall around the corner, everyone is getting excited for one of our favorite holidays, Halloween! Although this is a thrilling holiday for all, there are some important things to know to ensure the protection of children and grown-ups alike. The Riverside Sheriff's Department offers some of the following tips to help make this a fun and enjoyable holiday for all.

PASSING OUT TREATS

- Welcome "trick-or-treaters" with your porch lights and any exterior lights on.
- Do not give homemade or unwrapped treats to children.
- Keep dogs and other pets away from doors so children will not become frightened or injured.

TRICK-OR-TREATING

- Avoid vision-impairing costumes and costumes

that could cause you to trip. Also, be sure to wear comfortable shoes.

- Designate a specific route to take and a time to be back home.
- Never trick-or-treat alone. Go with at least two friends for the entire evening.
- Carry a flashlight and use it so drivers can see you and so you can see hazards on the street as well as other people.
- Look in all directions before crossing the street, and obey all traffic signals. Walk! Never run across the street.
- Do not accept rides from strangers.
- Do not take short cuts through backyards, alleys, or parks.
- Do not go inside anyone's home. Remain on the porch/front door area at all times.

TIPS FOR MOTORISTS

- Exercise extreme caution when driving a vehicle. Be on the alert for excited children, whose vision may be obscured by masks, darting out into traffic.
- Motorists should avoid all unnecessary travel on Halloween evening, and when driving they should drive slowly and be alert.
- Many accidents occur when motorists are backing vehicles out of driveways.
