Canyon Lake POA Contracts With New Company for Community Patrol Services

The Canyon Lake Property Owners Association (Canyon Lake POA) has contracted with G4S Secure Solutions (G4S) to provide community patrol services beginning March 15, 2021. The contract for G4S to provide community patrol services in Canyon Lake will be for three years, ending on February 29, 2024.

In Canyon Lake, the primary function of Community & Marine Patrol is to provide the community with services that include access control at the entry gates, Rules & Regulations compliance, and incident observation and reporting to the Canyon Lake POA. These services do not replace the services of outside public safety agencies such as law enforcement, fire services, medical services, city code enforcement, etc.

G4S is the leading global security company, specializing in the provision of security services and solutions to customers. G4S is active in 80 countries and has 533,000 employees. G4S will ensure the continuity of community patrol services in Canyon Lake including, but not limited to, providing gate attendants, call center, dispatch and community patrol services within the properties and amenities managed by the Canyon Lake POA.
