BALLOT MEASURE VOTES RESULTS

Ballot Measure: IRS Revenue Rule 70-604 Measure Results

The IRS Revenue Tax Ruling 70-604 allows Associations to avoid a tax consequence on any inadvertent excess member income that is applied to the following Fiscal Year (FY) assessment when filing a tax return Federal Form 1120. The proposed IRS Ballot Measure is considered an annual industry standard to allow for clear tax filing authorization, should the Board decide to apply excess income to the following year's assessment. Though the Association recognizes three options for application of excess income, ((1) refund to the membership, (2) apply to following year's assessments/operational budget or (3) apply to the reserves) this ballot measure only pertains to the option of applying excess income to the following year's assessment.

Results: 1,325 in favor and 79 against. The majority were in favor of this measure.
