### **California Issues New Public Health Order**

California is moving Beyond the Blueprint to safely and fully reopen the economy. As of June 15, 2021, the Governor terminated the executive orders that put into place the Stay Home Order and the Blueprint for a Safer Economy. He also phased out the vast majority of executive actions put in place since March 2020 as part of the pandemic response, leaving a subset of provisions that facilitate the ongoing recovery.

The new public health order effective June 15 supersedes all prior health orders. The order has limited restrictions, only related to masking and mega-events, as well as settings serving children and youth.

Restrictions that ended on June 15 include:

- Physical distancing
- Capacity limits on businesses
- County tier system

In consideration of the new health order, the Canyon Lake POA will be moving forward with planning regularly scheduled activities and events. Additionally, masks will now be optional for vaccinated individuals at all Canyon Lake POA facilities and amenities. Further modifications related to workplace mask requirements are expected to change later this week for vaccinated individuals.
