

Goals

Short Term

- Maintain and enhance all amenities, facilities and infrastructure
- Evaluate and improve Community Patrol effectiveness and costs
- Protect Repair and Replacement Reserves to ensure our property values well into the future
- Manage spending to promote maximum benefit of our assessments
- Support the Committee process and all those who serve our Community

Long Term

- Support the Multi-Phased Road Renovation Project
- Promote new projects that will enhance our residents lifestyle
- Address shoreline erosion on our lake
- Develop a strong working relationship with City Council and new City Manager
- Support the Lake Dredge Project and other efforts to clean our Lake
