### Subject: Free Concert at Holiday Harbor Amphitheater

**Canyon Lake, CA** – The Canyon Lake POA is excited to announce a free concert for the community on June 8, 2019 at the newly constructed amphitheater at Holiday Harbor Park. This concert will feature the exceptional top 40's dance band Siren's Crush. This group of world-class vocalists will rival anything you see on "The Voice" or "American Idol". Siren's Crush is composed of some of the most talented concert musicians working in the music industry today. Joining the group for part of the show will be America's Got Talent local star Makayla Phillips.

The concert will start at 7:30 p.m. However, residents are advised to arrive early as this event will be festival seating. Residents may bring their own sand/low beach chairs, blankets, and coolers (food and beverages welcome).

In January, the Canyon Lake POA completed the new amphitheater at Holiday Harbor Park. The new amenity provides a venue for many community activities including concerts, movies, and other special events.

The Canyon Lake Fine Arts Guild, who made a significant donation towards the new amphitheater, is also planning two free summer concerts, a Jimmy Buffett tribute concert on June 29, and a Rolling Stones tribute concert on August 10. Both concerts start after sunset, at approximately 8 p.m. The Fine Arts Guild is hosting their two free concerts to give back to the community for supporting their other concerts throughout the year.

This year's Movies in the Park will be another fun series to look forward to at the new amphitheater. The series kicks off on May 31. Additional movies are scheduled for August 23 and September 27. Movies in the Park is a free summer movie series for families in Canyon Lake who enjoy watching movies under the stars.
