**RE: 28 Day Reading – No Damage to CLPOA Property**

---

**Background**

The Rules & Regulations Review Committee was tasked with reviewing the current Rules & Regulations and making recommendations to streamline the document. Their objective is to create a cohesive and comprehensive set of rules that are easier to understand and enforce. This action item focuses on refining and enhancing the existing Rules & Regulations to reduce redundancy and ensure clarity and effectiveness across all rule sections.

The committee proposes revising General Rules 2.10, "No Damage to CLPOA Property," to hold both members and banquet customers accountable for any damages to CLPOA property. This change will enable the removal of the redundant rule pertaining to damages currently found in the restaurant section of the rules.
