Canyon Lake Men's Golf Club Mission Statement

Promote Honesty and Integrity in the game of golf.
Promote the enjoyment of, and participation in, the game of golf for all members. Arrange games and tournaments that are fun, fair and inclusive. Provide financial disclosure and administer the Club's assets in a professional and business like manner.
Promote sportsmanship and care for the golf course.

President's Message by Tom Scudieri

It's June and warm weather is here. The course is in great shape and tournament season is in full swing. We just finished the two day "Paradise Classic" tournament. We had over 125 participants and everyone had a great time. Congratulations to all our winners. Our next tournament is the "Club Championship" on June 2nd, 3rd, & 4th. We are expecting a full field for this 3-day tournament. Also, don't forget the "Presidents Cup" is starting on June 17th. The signup sheet is in the club house. The Stag day tournament is on September 9th. This is a VERY important tournament. The proceeds from the ticket sales, drawing sales and the 50/50 boards sales go toward the Member/Member tournament on November 18th & 19th. Don't forget, you have a chance to win up to \$5000 on the drawing and up to \$1000/\$500/\$250 on the 50/50 boards. Starting very soon, the CLMGC Board Members will be selling the Stag Day tournament tickets. Get yours early. By the time you're reading this letter, Memorial Weekend and Canyon Lake's Fiesta Days will be over. I hope everyone enjoyed themselves. I hope you all had a great and safe weekend.

WEDNESDAY GAME CHANGE:

The board has decided to raise the Wednesday Game Fees, effective Wednesday, June 7th, 2023, to \$15.00. The following is the breakdown of how the fees will be applied.

1. \$8.00 for the game
2. \$5.00 for Skins
3. \$1.00 for Hole-In-One
4. \$1.00 for Closest to The Pin
 - a. Zero to Eighteen handicaps on hole 11
 - b. Nineteen and Up handicaps on hole 15

** To win Closest to The Pin you must get a PAR or better on the hole.

CLMGC DUES INCREASE :

The Board has decided to increase the Canyon Lake Mens Golf Club dues, effective September 1st, 2023, to \$100. The additional funds will cover Cost of Living Increases, Live Scoring, and fund Community Outreach Programs.

Last month a "Posting" Audit was done, of our members, by our Handicap Director. It was learned that 30% of our members post late or incorrectly. Warnings will be given to the offenders. If this continues, penalties will be assed.

I know this is said all the time, but it does not hurt to repeat it. "Golf is a game of integrity." There are rules and they must be followed. It is expected that if a rule is broken a penalty must be assessed. If you are uncertain if a rule is broken, get help from your playing partners. It is our responsibility to police ourselves.

President's Message

By
Linda Johnson

As I write my monthly letter we are in the middle of our President's Cup Medallion Tournament. Ina and her team Linda K. and Elaine K. managed to get good participation this year and we have good weather (so far). Also this month we played our 'Beat the Pro' tournament. Pat was able to play a few holes with everyone and he had a 'bad day' so congratulations to everyone who doubled their wager in the pro shop. Thank you Pat.

The Men's Club Tournament Director Jesse Beecher asked for our assistance in their Member Guest this month. Thanks to the Homewood's Kathy and Mike, Kathy V. Mary B. Claudia, Victoria, myself, and KK. For volunteering to help. Divot Day followed that tournament and the course was in pretty good shape.

Our club was also well represented in the C.L.A.P.P.S Annual Beautification Tournament. They made of \$12,000.00 to support the Golf Course.

Fiesta Days , in the lake is fast approaching. The parade, and the Vendor Fair are the events we support to raise money for our budget, and the parade to wave and throw candy to the community lined up to watch all the clubs pass by. Annie Norris is managing the parade this year, thank you Annie.

Twilight Golf has started. Norma and Bruce Yarbrough are, managing these Friday 9 holes of golf, followed by dinner in the park. They are open to all the golf clubs and lots of fun. Sign up in the pro shop.

Coming up this month is our Senior and Super Senior, two day Tournament, hosted by the C.L.I.P.P.S. Many of us are able to play in both. Our Junior Member, Breanna Noble, playing with her partner in the SCGA Four Ball shot a combined 68,69 to win. Breanna had a chip in Eagle. We are very proud and fortunate to have her as a member.

If you have any questions, concerns or suggestions, your board would like to hear from you.

Linda

As Hannah Bagnell and Breanna Noble took their victory walk up to the podium to receive their 2023 Women's Four-Ball Championship trophies, the remaining 188 players in the field couldn't help but rise to their feet and incite a roaring round of applause. It was a fitting end to a historical event as Hannah and Breanna, each 14 years old, worked together to shoot seven-under over 36 holes at Desert Willow Golf Resort to become the youngest winners ever in Four-Ball Championship history.

It was evident the SCGA Junior members were firing on all cylinders from the jump, as they logged the championship's lowest round on Monday, four-under 68, to share the clubhouse lead with AiLam Newkirk and 2022 SCGA Senior Women's Player of the Year, Shelly Haywood.

The two teams were paired together on the final day, and the teenagers did not flinch, going shot for shot against the decorated amateurs. Bagnell/Noble broke through and established a solo lead on their third hole of the day, when Noble chipped in for eagle from the fringe of the par-5 18th hole. Newkirk/Haywood bogeyed, so the three-shot swing gave Bagnell and Noble enough cushion to hold the advantage and eventually capture the crystal.

From the Green Committee:

Maintenance Monday June 12, Brightveiw will be spaying the fairways to kill the winter rye grass that was planted during the Winter over-seeding. The rye grass eradication will give the Bermuda grass a better chance to flourish and spread during the hot summer months. The growth of the Bermuda grass is crucial to keep our fairways thick and playable for the Summer months and when transitioning into Winter. This process will cause some thin spots in the fairways that should fill in as the weather gets hotter. Bermuda grass typically needs one hundred days of one hundred degree temperatures to flourish. The roughs will not be sprayed, so the winter rye will slowly die out as the weather gets hotter. The underlying Bermuda grass should fill in as this happens. This is a yearly ongoing process to keep our golf course beautiful and playable throughout the year.

CLAPPS Raise Over \$12,000 in Beautification Tournament

On Saturday April 29, the golf community rallied together in support of the annual CLAPPS Beautification Tournament. The CLAPPS (Canyon Lake Association of Past Presidents) is a group of Men's Golf Club Presidents who continue to serve the golf community with their annual fundraiser that has raised over \$100,000 over the past 15 years. 100% of the proceeds of the tournament are spent on improvements on the golf course. Recent projects include 11' tall Street Clock on the putting green, 13 concrete benches, Concrete lighthouse logo and landscaping behind #17 green, new sand containers and bronze tee signs on each tee box to identify the hole number and the yardages.

Not all this would be possible without the support of the golf community including the local businesses and members who generously donated to the event. Major Sponsors of the tournament were the Canyon Lake Men's Golf Club, Canyon Lake Women's Golf Club, Coldwell Banker Realty – Margaret McCoy, BrightView Golf Course Services, PBK Golf Services – Pat Kemball, PGA, Canyon Lake Gunsmithing, National Dent, Platinum Plumbing, PMC Inc., Prestige Golf Cars and Warren Packaging. An additional 34 local businesses, clubs and individuals contributed in support of the tournament. In addition to the cash donors there were many local merchants that offered services and merchandise for the Raffle and the Auction that raised over \$2800.

The tournament started Saturday morning with an 8 am shotgun start. 84 players participated in a Jack & Jill, Jack & Jack Partners Best Ball format and Scramble for those without handicaps.

Tournament winners were announced following a delicious open face turkey lunch at the Country Club restaurant. The winners were Jack & Jill A Flight – 1st, Jon Keigwin & KK Beecher; 2nd Greg Leathley & Gerry Meeks; 3rd Bruce & Norma Yarbrough. B Flight – 1st, Roger & Linda Kielty; 2nd, Hugh Wagoner & Rita Crocker; 3rd Travis Montgomery & Ann Blay. Winners in the Jack & Jack format were A Flight – 1st, Jesse Beecher & Collin McCaffery; 2nd, Chris Kuminkoski & Ryan Good; 3rd, Brian Boothby & Scott Lane. B Flight – 1st, Ray Freyre & Robert Stanovich; 2nd, Tom Mershon & Brad Fraser; 3rd, Dan Williams & Eddie Reyes. First place winners in the Scramble format were Tony Schwarzman, Josh Donnelly, Mark Solis, and Dan Gaudy. Congratulations to all the winners who received gift certificates to the Pro Shop.

Preliminary reports indicate that we have set a new record with over \$12,000 raised for golf course improvements. The CLAPPS would like to thank Pat Kemball and his staff for their efforts for a successful tournament, thanks also to Paul de la Vega and Chef Alex and their staff for a delicious lunch and outstanding service.

CLAPPS would like to also thank all the participants and the sponsors for their generosity in supporting our efforts to beautify our golf course.

Happenings in the Past from your CLMGC Historian:

30 years ago, June 1993 ~

It was reported that the "Lake" Beautification Tournament held in May generated \$5,300. In 1993, the Tuesday Work Group (TWG) hosted the Beautification Tournament and it was the major source of their revenue for the construction of the lake surrounding the #11 green. As mentioned in the previous month's historian article, the TWG was heavily involved in the building of the lake surrounding the current #13 green, which in 1993 was the #11 green. The backside started on today's #12 tee and ended on today's hole #11. This was a special "Lake" beautification tournament.

In the June bulletin, the CLMGC was promoting the annual Golf Course Beautification Tournament. Since the tournament attracted over 200 golfers the previous year, this year's tournament will be two shotgun starts, one in the morning and one in the afternoon, with a limit of 144 players in each session. A full field in both sessions was expected. Thanks in great part to these early Beautification Tournaments, we have the great golf course we have today. June was the start of the "Horse Race" season with two events planned during the month.

20 years ago, June 2003 ~

The membership in the CLMGC is 465 as of June 1, reported Membership Director Fred Hemborg. Two new members joined during the previous month. (One of them was current member Randy Schutz – congratulations on 20 years as a member Randy).

A new golf course management company started this month, International Golf Maintenance (IGM), that is a nationwide golf course maintenance firm. They chose to keep the existing maintenance staff and that pleased the members.

Both the Men's and Women's golf clubs held their Club Championships during the month of June, the same as is happening 20 years later and two horse races and two Twilight events were held. The 2003 Bulletin reports that a guest in the Paradise Classic Member/Guest by the name of Bruce "the rooster" Wallace won the chipping contest and a putter and donated it to the auction and raised an extra \$100 for the club. That's back in the days when Bruce was a frequent visitor and perennial guest from Arizona. The Rooster?

Instructions for determining the Most Improved Golfer

Add 12 to the player's Handicap Index at the start date. This value is A. Add 12 to the player's Handicap Index at the end date. This value is B.

Divide value A by value B, calculating to three decimal places. This is the improvement factor. The player with the highest improvement factor should receive the most improved player award.

Example:

Starting Handicap Index: 24.3 | Ending Handicap Index: 16.2

Value A: $24.3 + 12 = 36.3$ | Value B: $16.2 + 12 = 28.2$

A / B: $36.3 / 28.2 = 1.128$

Improvement factor: 1.128
