## President's Message by Vern Kelch

*Hope everyone's game is in tip top shape. The main thing is to get out and have fun with your friends. It's coming up soon and I'm referring to Stag Day. Jesse our tournament director is working on a great event for everyone. The cost for the Day is the same as last year. \$100 buys your golf game, dinner and a stag ticket. We hope to Sell all 360 tickets so we have the maximum payouts for the lucky winners. Plan for the date of September 14<sup>th</sup>. All of your Board Members have the tickets and are eager to take your money. Except Bob Jacobson, he's motor homing around the country. I'm building a new Stag chipboard which I am very proud of. Hope you all enjoy it. The old ones are rickety and falling apart. I feel it's my responsibility to provide a nice board to hang all those winning chips on. Have a good game, have fun out there and buy those tickets for September 14<sup>th</sup> Stag Day.*

*Your Pres. Vern Kelch*

**ATTENTION:  
Please repair more  
than one ball mark  
anytime you're on the  
green.**

## President's Message

By  
Kathy Homewood

Greetings, golfers! As I reflect on TWG's recent Mardi Gras celebration, I couldn't help but chuckle at the fact that I managed to fly under the radar with my purple hair, and no glasses. It seems my festive outfit transformed me and when you don't know what to do with your hair, put a wig on!

With August right around the corner, we're already gearing up for the toasty days ahead of us. Thank you, Norma Yarbrough, we appreciate you for rescheduling our tee times to beat the heat. Let's make the most of this opportunity to enjoy summer; and discover ways to stay cool.

Ann Blay announced the most improved players for the month of June. Starting with first place, the following five ladies have improved their game – Dena Kuhns; Jill Busser; CC Collier; Kimberly Harris; and Shelley Stanovich. Great job ladies!

We wrapped up our third clinic. Pat's focus was on bunkers, and the next focus will be on course management. The first one is scheduled for August 5th. We have 10 members scheduled, and one on the wait list. Please, let me know if you are unable to participate, so I can offer those on the wait list a chance to work on their skills. Pat's final clinic is on the calendar for September 16th.

In addition to our golfing summer strategies, don't forget that our next general board meeting in August will be a crucial one as we gather to vote on the future leadership of our club. It's an important opportunity for all of us to vote on our future candidates, who will be guiding us through 2025 and beyond. Your participation in this process will be key to our continued success as a club. Looking forward to seeing you all there!

**Penalty-free**  
**scenarios of**  
**bunker play:**

- Removing loose impediments (pinecones/leaves).
- Placing a golf club within the bunker - if you're between clubs and you drop one that you're not using.
- Hitting the sand in irritation – you might look foolish but doesn't come with a penalty.
- Leaning on a club in a bunker.
- Digging your feet into the sand when preparing to hit a shot.

Statistics to make you think:

- Almost 80% of golfers will never have a handicap under 18.
- Odds of an average golfer making a hole-in-one is 1 in 12,500.
- Odds of an average golfer making two aces in a single round is 1 in 67 million.
- Odds of winning the Powerball lottery is 1 in 292 million.

**Instructions for determining the Most Improved Golfer**

Add 12 to the player's Handicap Index at the start date. This value is A. Add 12 to the player's Handicap Index at the end date. This value is B.

Divide value A by value B, calculating to three decimal places. This is the improvement factor. The player with the highest improvement factor should receive the most improved player award.

Example:

Starting Handicap Index: 24.3 | Ending Handicap Index: 16.2

Value A: 24.3 + 12 = 36.3 | Value B: 16.2 + 12 = 28.2

A / B: 36.3 / 28.2 = 1.128

Improvement factor: 1.128

### Congratulations Jon Keigwin!

On Monday July 15, Jon shot one stroke lower than his age, a 66. He recorded a 36 on the front nine and 30 on the back nine. He was playing with Dan Rawlins, Andy Quinn, and Victor Flores in the Blue Shirt game. Going into 18 he just needed a par to shoot his age (67). He was fortunate enough to make birdie to shoot 66.

***If you need sand bottles  
to help take care of the course they  
have them for  
sale in the pro shop***

***All, as members we need to not only  
protect and take care of our course by  
watching the outside players but we also  
have to obey rules ourselves. There's  
been several instances that I've seen  
members driving on the par 3's.***

***If you're not handicapped stay on the cart  
paths!!***
